[Profile of a Religious Man](#) Sep 21 2021 This book is a "journey book." Sitting down at a computer and producing the story has been a grand trek. I have learned that there is a principle in nature that some things need to mellow, calm down, and soak in. The refusal of winemakers to take a wine before its time is a notion I am coming to understand. It works with writers as well. Like a fetus signaling its mother that it is time to head for the hospital, a literary work stays in the mind until its time. In my education, I have read of the battles of great Church leaders who were eventually thrown out of their churches. In my denominational education, I was largely led to see them as heretics, rebels, eccentrics, revolutionaries, apostates, and as generally representing a lower form of spirituality. Church education often asked me to surrender my biases in favor of accepting a new set of assumptions—my denominational ones. We were to be critical of everything except our organization. I submit that there is danger in that. This book will cover incidents from the first forty years of my life as a religious addict. You may find something here that you can identify with.

[The Book of Jonah](#) Jan 14 2021 A major literary debut, an epic tale of love, failure, and unexpected faith set in New York, Amsterdam, and Las Vegas The modern-day Jonah at the center of Joshua Max Feldman's brilliantly conceived retelling of the Book of Jonah is a young Manhattan lawyer named Jonah Jacobstein. He's a lucky man: healthy and handsome, with two beautiful women ready to spend the rest of their lives with him and an enormously successful career that gets more promising by the minute. He's celebrating a deal that will surely make him partner when a bizarre, unexpected biblical vision at a party changes everything. Hard as he tries to forget what he saw, this disturbing sign is only the first of many Jonah will witness, and before long his life is unrecognizable. Though this perhaps divine intervention will be responsible for more than one irreversible loss in Jonah's life, it will also cross his path with that of Judith Bulbrook, an intense, breathtakingly intelligent woman who's no stranger to loss herself. As this funny and bold novel moves to Amsterdam and then Las Vegas, Feldman examines the way we live now while asking an age-old question: How do you know if you're chosen?

Dress Hermeneutics and the Hebrew Bible Jun 18 2021 Antonios Finitis and contributors continue their examination of dress and clothing in the Hebrew Bible in this collection of illuminating essays. Straddling the divide between the material and the ideological, this book lends shape and texture to topics including social standing, agency, and the motif of cloth and clothing in Esther. Essays also explore the function of dress metaphors in imprecatory Psalms, the symbolic function of headdresses, and the divine clothing of Adam and Eve and the hermeneutics of trauma recovery. Together, the contributors continue to shape scholarly discourse on a growing body of scholarship on dress in the Bible. By turning their analytical gaze to this primary evidence, the contributors are able to reveal the social, psychological, aesthetic, ideological and symbolic meanings of dress in the Hebrew Bible, thereby producing insights into the literature and cultural world of the ancient Near East.

Jews and Christians Together Oct 23 2021 Rabbi Gordon Fuller and Dr. Christian van Gorder are committed to helping people of both faith traditions gain, as far as is possible, a participant's appreciation of those from the other community. This means addressing misconceptions and misrepresentations as well as challenging widely held assumptions. Jews and Christians Together delves into the strained relationship between these two faith communities and exposes why these communities need to come to a better understanding and appreciation of the other. Events such as the attack on the Tree of Life Synagogue in Pittsburgh, Pennsylvania demonstrate why society must address and foil anti-Semitism and anti-Judaism wherever and whenever such views appear. The efforts of Fuller and van Gorder to explore these issues with their own faith communities can provide a helpful starting-point to confront trends of increasing hate and bigotry towards Jews today. Fuller and van Gorder ask us to acknowledge the marred history of Christianity and anti-Semitism, so that we can explore healthy Jewish-Christian dialogue and gain a shared and constructive mutual respect.

Anderson's films have received 25 Academy Award nominations, and he has worked closely with many of the most accomplished actors of our time, including Lesley Ann Manville, Julianne Moore, Daniel Day-Lewis, Joaquin Phoenix, and Philip Seymour Hoffman. In Paul Thomas Anderson: Masterworks, Anderson's entire career—from Hard Eight (1996), Boogie Nights (1997), Magnolia (1999), Punch Drunk Love (2002), There Will Be Blood (2007), The Master (2012), Inherent Vice (2014), and Phantom Thread (2017) to his music videos for Radiohead to his early short films—is examined in illustrated detail for the first time. Anderson's influences, his style, and the recurring themes of alienation, reinvention, ambition, and destiny that course through his movies are analyzed and supplemented by firsthand interviews with Anderson's closest collaborators—including producer JoAnne Sellar, actor Vicky Krieps, and composer Jonny Greenwood—and illuminated by film stills, archival photos, original illustrations, and an appropriately psychedelic design aesthetic. Masterworks is a tribute to the dreamers, drifters, and evil dentists who populate his world.

Student Workbook for an Easy Dig Thru 39 Ancient Sites Nov 11 2020 Otto D. Batty received most of his education from parochial schools. His first nine years were at Bethlehem Christian School in Kennewick, Washington, graduated from Concordia College-High School in Portland, Oregon in 1956. He received his A.A. degree from Columbia Basin College in Pasco, Washington in 1969, and B.A. degree in Education from Pacific Lutheran University in Tacoma, Washington in 1976. Otto majored in Social Studies with a strong emphasis in History. In 1961 while in Wyoming, Otto developed a great love for the Scripture. Over the years, he read 23 different translations and paraphrases of the Bible. He even read the Bible backwards from Revelation to Genesis. When asked why, he simply replied, "Just for fun." However, he wouldn't do it again or recommend it, saying "It was chronologically distracting." Otto has taught many Sunday School classes to both teenagers and adults. This work emerged out of those life experiences. The more Otto read the scripture the more he became excited about what he "discovered." It was quite a surprise to him to learn so many believers had never read the whole Bible through once. Filled with a hunger to encourage others to read and find the "gems" he found in the Scripture, in 1985 he wrote and taught this Bible Study with a twist. The emphasis is on "discovering the gems," not theology or doctrine. It is fast paced, fun, and simple. Its primary purpose; to encourage believers to apply Romans 10:17, "faith comes by hearing and hearing by the Word of God."
