Holding Back The Tears Apr 16 2021 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you"; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

When Breath Becomes Air May 30 2022 #1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When *Breath Becomes Air* chronicles Kalanithi's transformation from a naïve medical student "possessed," as he wrote, "by the question of what, given that all organisms die, makes a virtuous and meaningful life" into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. "I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything," he wrote. "Seven words from Samuel Beckett began to repeat in my head: 'I can't go on. I'll go on.'" When *Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

Never Tear Us Apart Oct 23 2021 The first novel in this darkly sexy contemporary series from bestselling author Monica Murphy kicks off an emotionally powerful two-part tale of forbidden love. Crazy how eight years can disappear in an instant. One look at Katie Watts, and I'm a fifteen-year-old again—the one who risked everything to save a terrified girl from her twisted kidnapper. She's grown-up now—beautiful, quiet, composed—and telling her story to the world. A story that involves me in more ways than you can imagine. She used to call me her guardian angel. Sure, I risked my life, but she was worth dying for. I need to make contact with her. Just to ensure that she's safe. Somehow we reconnect. We become friends . . . but I want more. I want to make her mine. And she wants me too. Does she know who I am? Has she figured me out? Not yet. But she will. In the meantime, I need to make sure that whatever hold that animal had on her is gone. So, yeah, I'm stealing these moments with her. Savoring them. Knowing, dreading, that she'll soon find out who I really am. And everything will fall apart.

All because of that twisted, perverted monster sitting on death row. Her kidnapper. A convicted serial killer. My father. I couldn't turn the pages fast enough."—New York Times bestselling author Jay Crownover "A powerful story that left me raw yet hopeful."—USA Today bestselling author K. A. Too Late for Tears Nov 11 2020 Born in 1914 just prior to WWI in a small town in Austria, a young Valerie is determined to escape the modest background of her family. Early twentieth-century convention and financial circumstances limit her career choices, and she reluctantly follows her father's footsteps to become a teacher. Faced with the first real dilemma of her young life, she bravely deals with adversity and mishap, and when during her time as student she becomes familiar with the Nazi underground movement, she wisely resists joining. In March 1938, Valerie and many people in Austria are confounded by the Anschluss, Hitler's forced annexation of Austria, which renders the country part of Germany. It is during this time in her life that Valerie believes to have realized her dreams, when in September 1939, World War II breaks out, an event destined to end in worldwide cataclysm, though at the time no one thought, or dared to think, of it as such. For the first few years, the German Army is remarkably successful until hopes for a peaceful conclusion are dashed by Hitler's ruthless blunders and the Russian winter. Valerie's story closely follows the war years in historic detail through its catastrophic end, the ten-year Allied occupation and post-war challenges. Conditions gradually return to normal, and Valerie feels content with her life until she suddenly faces events that even her lifelong strength and determination cannot overcome.

No Tears for Carol Aug 09 2020 "No tears for Carol" is the story of a courageous woman and her struggle to survive in a world she did not understand or feel she belonged in. Borne into a world of the occult, she escaped only to endure an incestuous childhood marked by terror, and physical and emotional abuse, which locked her away in a traumatic fog until she was seventeen years of age. How much pain and abuse can one person endure? The answer is "endless" as long as she is walking in the arms of her Heavenly Father. This is my story. It is a lifetime of memories, pain, terror and finally freedom. It is a story of a shaky faith in a 'daddy' God who never condemned the times I fell but rewarded me endlessly for the times I allowed Him to gently pick me up and try once more! My life is like a movie, as if I am walking this journey with you. I see no faces in my childhood and I disassociate as though I were merely a spectator looking on. I believe that life is an illusion, a conglomerate of facts we tell ourselves to make it through the day and night. I was a chameleon, taking on the persona of those around me, flowing from one dictator to the next. In retrospect it was the knowledge that I was "invisible," that even the dead dry hay, fed to the cattle, had more value than I did. That was my legacy from my mother! I ask you not to focus on Carol but on Jesus Christ, who walked this journey with me. It was His love and strength that got me through it. God did not want puppets to follow Him around so He gave man free will. The people in my life chose to abuse me. I also chose to abuse myself. But Jesus told me He would, "Restore the years the locust have eaten," and my friend He has done just that. I believe my book will give hope, courage and compassion to understand individuals who have such unfortunate afflictions.

The Tear Oct 30 2019 Based on a true story, Laurel Faith Gables spent her first days on a field watching Daddy playing his sport of football. Spencer Gables was a hometown football star from the small rural town of Creeksdale, who made his way to his beloved North Mason College. His eyes were turned by one-Jacqueline Carr from the city of Lawson. She was everything he ever wanted. After eloping, their love blossomed with the birth of their first child, Laurel. Upon graduation, the Gables moved to Lawson, where Spence was becoming a local icon in the world of football coaching. Life on Chester Chapel was beautiful, and the two were blessed with a baby boy, Cole. The couple longed for their goal of homeownership, and they were well on their way to achieving it. Spence and Jacqueline were living the American dream until the unthinkable happened, tearing the Gables family to shreds. Is the love of a daughter strong enough to bring their world back together, or will it forever be shattered? Laurel is forced onto a bridge and she cannot turn back. The only way to bring an end is to cross. For those who have lost deeply, want to love dearly, or know those who do. For those who want to consider - is vengeance deserved?

Jessica Dec 13 2020 Jessica had always been haunted by the fear that the unthinkable had happened when she had been "made-up." For as far back as she could remember, she had no sense of a Self. Her mother thought of her as the "perfect infant" because "she never wanted anything and she never needed anything." As a child, just thinking of saying "I need" or "I want" left her feeling like an empty shell and that her mind was about to spin out of control. Terrified of who—or what—she was, she lived in constant dread over being found guilty of impersonating a human being. Jeffrey Von Glahn, Ph.D., an experienced therapist with an unshakable belief in the healing powers of the human spirit, and Jessica blaze a trail into this unexplored territory. As if she has, in fact, become an infant again, Jessica remembers in extraordinary detail events from the earliest days of her life—events that threatened to twist her embryonic humanness from its natural course of development. Her recollections are like listening to an infant who could talk describe every psychologically dramatic moment of its life as it was happening. When Dr. Von Glahn met Jessica, she was 23. Everyone regarded her as a responsible, caring person - except that she never drove and she stayed at her mother's when her husband worked nights. For many months, Jessica's therapy was stuck in an impasse. Dr. Von Glahn had absolutely no idea that she was so terrified over simply talking about herself. In hopes of breakthrough, she boldly asked for four hours of therapy a day, for three days a week, for six weeks. The mystery that was Jessica cracked open in dramatic fashion, and in a way that Dr. Von Glahn could never have imagined. Then she asked for four days a week - and for however long it took. In the following months, her electrifying journey into her mystifying past brought her ever closer to a final confrontation with the events that had threatened to forever strip her of her basic humanness.

Tear You Apart Nov 23 2021 Their passion will consume everything—and everyone—in its path.... I'm on a train. I don't know which stop I got on at; I only know the train is going fast and the world outside becomes a blur. I should get off, but I don't. The universe is playing a cosmic joke on me. Here I had my life—a good life with everything a woman could want—and suddenly, there is something more I didn't know I could have. A chance for me to be satisfied and content and maybe even on occasion deliriously, amazingly, exuberantly fulfilled. So this is where I am, on a train that's out of control, and I am not just a passenger. I'm the one shoveling the furnace full of coal to keep it going fast and faster. If I could make myself believe it all happened by chance and I couldn't help it, that I've been swept away, that it's not my fault, that it's fate...would that be easier? The truth is, I didn't know I was looking for this until I found Will, but I must've been, all this time. And now it is not random, it is not fate, it is not being swept away. This is my choice. And I don't know how to stop. Or even if I want to.

Idemudia communicates that awareness, education, and change are essential for significant improvement to be made. *Tears of Forced Marriage* gives suggestions as to what can be done to improve the lives of boys and girls affected by forced marriage.

Tear-Watered Blooms Jun 30 2022 No one likes to suffer. It hurts. We all suffer, though, in one form or another, at some time or another. What is God's heart towards his children as they suffer? Does God care like a loving earthly father would for his suffering children? If God loves his children, why would he allow them to go through pain in the first place? These questions are all too common--the very questions Catherine Rackley pleaded before God when she was pummeled repeatedly by multiple hardships, all starting with a cancer diagnosis at the age of twenty-five. "Is God really good?" "Does he love me?" "Is he hearing my prayers?" The hardships did not erase, but some answers did come. You are invited to walk through this vulnerable journey with Catherine where she wrestles with blood, sweat, and tears. . . . Her hope is that you will find those secret places where God led her.

The Song of Tears Aug 28 2019 The Great Canon has been described as one of the jewels of Orthodoxy's ascetic spirituality. In the first week of Lent, during Great Compline, it is sung and declaimed in portions; on Thursday of the fifth week, during Matins, in its entirety. Throughout, accompanied by bows or prostrations, the refrain is: Have mercy on me, O God, have mercy on me. This short, yet full, essay by Olivier Clément serves as an enriching commentary and guide for reading *The Great Canon of St Andrew of Crete*. The author begins the

journey with a study of the meaning of "awakening" and "the fear of God" the stepping stones toward true repentance. He then follows the Canon's path of identifying our fallen nature, the passions, Christ's liberation from sin and death, humility, and asceticism, and ends with a comparison between the shedding of tears and the holy chrism of baptism. Clément ultimately encourages us to see repentance as the key to being fully alive-and The Great Canon as our roadmap toward becoming alive in Christ. A translation of the Great Canon accompanies the text.
