The Bad Girl's Guide to the Open Road Oct 20 2021 Suggests ideas for trips for women who love to drive, including unusual festivals and museums, things to do in a small town, and the best songs to listen to in the car

The Gay Man's Guide to Open and Monogamous Marriage Aug 30 2022 Legal gay marriage is still a relatively new phenomenon. As gay men who are now able to get married, we find ourselves in a bit of a quandary: for many male couples, sex is a lot more important for us than it is for heterosexuals. Two married men often have a stronger desire for sex – wanting more of it and with a wider variety of partners – than married opposite-sex couples. How does this work within the structure of a monogamous marriage? Is an open relationship a better structure for gay marriage? Assuming that gay marriages will emulate heterosexual marriages is neither a valid nor a helpful assumption. But, as gay men, where does that leave us? There are currently no “rule books” for how a marriage between two men could or should work. While there are lots of books about how to plan your gay wedding, there are virtually none that address what to do after the honeymoon is over (literally and figuratively). This book fills that void. It offers married gay couples (and gay men considering marriage) an easy-to-follow, practical framework that they can use to help create, adjust and structure their marriages. Using helpful examples and first-hand quotes throughout, openly-gay psychotherapist Michael Dale Kimmel offers a roadmap for gay men who want to be married but have questions and concerns about monogamy and monotomy.

The Open Organization Nov 20 2021 This is a story of reinvention. Jim Whitehurst, celebrated president and CEO of one of the world's most revolutionary software companies, tells first-hand his journey from traditional manager (Delta Air Lines, Boston Consulting Group) and “chief” problem solver to CEO of one of the most open organizational environments he'd ever encountered. This challenging transition, and what Whitehurst learned in the interim, has paved the way for a new way of managing—one this modern leader sees as the only way companies will successfully function in the future. Whitehurst says beyond embracing the technology that has so far disrupted entire industries, companies must now adapt their management and organizational design to better fit the Information Age. His mantra? “Adapt or die.” Indeed, the successful company Whitehurst leads—the open source giant Red Hat—has become the organizational poster child for how to reboot, redesign, and reinvent an organization for a decentralized, digital age. Based on open source principles of transparency, participation, and collaboration, “open management” challenges conventional business ideas about what companies are, how they run, and how they make money. This book provides the blueprint for putting it into practice in your own firm. He covers challenges that have been missing from the conversation to date, among them: how to scale engagement; how to have healthy debates that net progress; and how to attract and keep the “Social Generation” of workers. Through a mix of vibrant stories, candid lessons, and tested processes, Whitehurst shows how Red Hat has blown the traditional operating model to pieces by emerging out of a pure bottom up culture and learning how to execute it at scale. And he explains what other companies are, and need to be doing to bring this open style into all facets of the organization. By showing how to apply open source methods to everything from structure, management, and strategy to a firm's customer and partner relationships, leaders and teams will now have the tools needed to reach a new level of work. And with that new level of work comes unparalleled success. The Open Organization is your new resource for doing business differently. Get ready to make traditional management thinking obsolete.

[Open Strategy](#) Aug 06 2020 How smart companies are opening up strategic initiatives to involve front-line employees, experts, suppliers, customers, entrepreneurs, and even competitors. Why are some of the world's most successful companies able to stay ahead of disruption, adopting and implementing innovative strategies, while others struggle? It's not because they hire a new CEO or expensive consultants but rather because these pioneering companies have adopted a new way of strategizing. Instead of keeping strategic deliberations within the C-Suite, they open up strategic initiatives to a diverse group of stakeholders—front-line employees, experts, suppliers, customers, entrepreneurs, and even competitors. Open Strategy presents a new philosophy, key tools, step-by-step advice, and fascinating case studies—from companies that range from Barclays to Adidas—to guide business leaders in this groundbreaking approach to strategy. The authors—business-strategy experts from both academia and management consulting—introduce tools for each of the three stages of strategy-making: idea generation, plan formulation, and implementation. These are digital tools (including strategy contests), which allow the widest participation; hybrid digital/in-person tools (including a “nightmare competitor challenge”); a workshop tool that gamifies the business model development process; and tools that help companies implement and sustain open strategy efforts. Open strategy has an astonishing track record: a survey of 200 business leaders shows that although open-strategy techniques were deployed for only 30 percent of their initiatives, those same initiatives generated 50 percent of their revenues and profits. This book offers a roadmap for this kind of success.

Love In Abundance Dec 22 2021 Beyond the basics of polyamory lies a complex web of negotiations, agreements, pitfalls and rewards. Kathy Labriola, a relationships counselor who has worked for many years with singles, couples and groups in polyamorous and open relationships, sets forth some of the realities of alternative lifestyles: dealing with some of the common relationship-disrupters, managing jealousy, choosing compatible partners, combining BDSM with polyamory, distinguishing between sex addiction and polyamory, and much more.

Opening Up Sep 18 2021 A practical guide to making sexually open arrangements work outlines options for transforming monogamous relationships into effective polyamorous ones, in a reference that addresses such topics as boundary setting, child-raising, and conflict resolution. Original.

Open Monogamy Jul 29 2022 Dr. Tammy Nelson is a relationship revolutionary. Her rethinking of monogamy—as a practice, a continuum, and a flexible concept—is on point, actionable, and nothing less than a significant cultural shift. —Wednesday Martin, PhD, New York Times bestselling author of *Primates of Park Avenue* and *Untrue Love* is eternal—but in an age when we live longer, communicate differently, and value gender equality, is it any wonder so many people are looking for new ways to support lasting, loving partnerships? “Monogamy is no longer a simple concept,” says Dr. Tammy Nelson. “More couples every year are experimenting with open relationships and newer, more flexible versions of commitment ... yet few of us have been prepared with the skills we need to make those agreements work.” *Open Monogamy* is a practical guide for people who wish to explore new directions in their relationships—to bring in excitement, variety, and fresh experiences without sacrificing trust, security, and respect. Through solo and partner exercises and real-life stories from people across the spectrum of relationship styles, you'll explore: • The changing face of relationships—why the time to explore new visions of love has arrived • Can open monogamy work for you? Self-assessment tools to find your place on the “monogamy continuum” • Essential skills for having honest conversations about attraction and desire • Exercises to remove shame and suspicion about open relationships • How to create agreements—traditional or otherwise—that are fulfilling, exhilarating, and built to last Dr. Nelson's 30 years of experience as a relationship and sex therapist have shown her that relationships can flourish even when the old idea of monogamy fails. “You want to love each other with fairness and integrity because that's what you signed up for, and honesty aligns with your shared values ... But you also want more. You want answers. The bad news? There is no one right way to do this. The good news? You can have anything you want.” If you've ever wondered how to try an open relationship or polyamory, *Open Monogamy* gives you the tools you need to create a commitment agreement as unique

as your love.

Open Learning Guide for Excel 2003 Advanced Dec 10 2020 This A4 spiral bound manual has been specifically designed to provide the necessary knowledge and techniques for the successful creation and manipulation of a complex Excel spreadsheet. The accompanying data files on disk are designed to help demonstrate the features you are learning as you work through the manual step by step approach.

Open Deeply Jun 27 2022 A full one-fifth of the United States has engaged in consensual non-monogamy (CNM) at some point in their lives, and 29 percent of adults under thirty today consider open relationships to be morally acceptable—yet there are few resources to turn to when it comes to navigating this more non-traditional and explorative territory. Picking up where CNM self-help books like *Opening Up*, *The Ethical Slut*, and *More Than Two* leave off, *Open Deeply* tackles the most difficult challenges posed by CNM. Therapist Kate Loree—who has practiced non-monogamy since 2003, and who specializes in treating clients who also practice non-monogamy—pulls no punches as she uses vignettes based on her own life, as well as her clients' experiences, to illustrate the highs, lows, and in-betweens of life as a consensual non-monogamist. Interwoven with these stories are thorough explanations of how attachment theory impacts non-monogamy, how blending cutting-edge, neurobiology-informed grounding skills with effective communication skills will make even the most challenging conversations regarding non-monogamy manageable, and more. The result is a compassionate, attachment-focused template for non-monogamy that will allow readers to avoid pitfalls and find adventure while concurrently building healthy relationships. Non-monogamy is a wild and woolly ride—and *Open Deeply* is here to help make it a great one.

Start Your Own Medical Practice Aug 25 2019 After years of school and maybe even after some years of practice, you are ready to do it on your own. Running a profitable business takes more than just being a great doctor. *Start Your Own Medical Practice* provides you with the knowledge to be both a great doctor and a successful business owner. Whether you are looking to open a single practice office or wanting to go into partnership with other colleagues, picking the right location, hiring the right support staff and taking care of all the finances are not easy tasks. With help from *Start Your Own Medical Practice*, you can be sure you are making the best decisions for success. Don't let a wrong choice slow down your progress. Find advice to: --Create a Business Plan --Manage the Office --Raise Capital --Bill Your Patients --Market Your Practice --Build a Patient Base --Prevent Malpractice Suits --Keep an Eye on the Goal With checklists, sample letters and doctor's office forms, *Start Your Own Medical Practice* teaches you all the things they didn't in medical school and gives you the confidence to go out and do it on your own.

A Therapist's Guide to Consensual Nonmonogamy Jun 15 2021 Consensual nonmonogamy (CNM) means that all partners in a relationship consent to expanded monogamy or polyamory. Clinicians are on the front line in providing support for the estimated millions pioneering these modern relationships. This first available guide for therapists provides answers to prevalent questions: What is the difference between expanded monogamy and polyamory? Is CNM healthy and safe? Why would someone choose the complexities of multiple partners? What about the welfare of children? Through illustrative case studies from research and clinical practice, therapists will learn to assist clients with CNM agreements, jealousy, sex, time, family issues, and much more. *A Therapist's Guide to Consensual Nonmonogamy* serves as a step forward toward expanding standard clinical training and helps inform therapists who wish to serve the CNM population.

The Complete Idiot's Guide to Open Nesting Jan 23 2022 "As long as you're living under my roof"—made simple... Census figures say about half those aged 18 to 24 live at home, with 65% of college graduates returning. This guide helps parents and their adult children deal with living together again by: helping young adults set goals for independence; determine boundaries; talk about dating, and more. -- Only book on the topic -- Open nesting trend alive and well—especially with the advent of the economic downturn -- Focused on the interests and concerns of both the parents and the adult children

A Guide to Open Innovation and Crowdsourcing Apr 25 2022 Open innovation and crowd sourcing are the hottest topics in strategy and management today. The concept of capturing ideas in a hub of collaboration, together with the outsourcing of tasks to a large group of people or community is a revolution that is rapidly changing our culture. *A Guide to Open Innovation and Crowdsourcing* explains how to use the power of the internet to build and innovate in order to introduce a consumer democracy that has never existed before. If a business fails to embrace it, it is at risk of being left behind. Written by an international team of eminent thinkers, writers and practitioners in the field, *A Guide to Open Innovation and Crowdsourcing* covers the definition of open innovation, how to manage virtual teams and co-create with customers, how to overcome legal and IP issues and common mistakes and pitfalls to avoid. With corporate case studies and best practice advice, *A Guide to Open Innovation and Crowd Sourcing* is a vital read for anyone who wants to find innovative products and services from outside their organizations, make them work and overcome the practical difficulties that lie in the way.

The Smart Girl's Guide to Polyamory Jul 17 2021 An intelligent, comprehensive guide to nontraditional and non-monogamous relationships: "Informative and entertaining." —Dr. Elisabeth Sheff, author of *When Someone You Love is Polyamorous* This practical guidebook offers relationship advice radically different from anything you'll find on the magazine rack, to help women who want to break free of the mold of traditional monogamy—without the constraints of jealousy, possessiveness, insecurity, and competition. *The Smart Girl's Guide to Polyamory* incorporates interviews and real-world advice from women of all ages in nontraditional relationships, as well as exercises for building self-awareness, confidence in communication, and strategies for managing and eliminating jealousy. If you're curious about exploring group sex, opening up your current monogamous relationship, or ready to "come out" as polyamorous, this book covers it all.

Monogamish Dec 30 2019 *The Essential Guide for Young Couples Looking to Explore Open-Relationships!* A book written by a young couple, researched with young couples, for young couples. We're part of a new generation redefining what it means to be in a committed relationship. In *Monogamish*, we examine couples in non-polyamorous relationships, relations that are interested purely in outside sexual play, without the extra commitments. You'll get a peek behind closed doors, to see what it takes to have a successful, committed monogamish relationship. Not only that, you'll learn how young, monogamish couples are meeting people these days, and skip all the mistakes they've made along the way. *The Foundations* In this book, we lay the groundwork for building a strong, solid relationship with your partner that allows you and your partner to explore outside your relationships. We cover: * Communication * Trust * Ethics in Open-Relationships * Developing Rules and Boundaries As well how to prepare for the eventual bumps in the road, safe sex practices and more! *Meeting Other People!* We're children of the Internet. With the handful of options out there from hookup at to online dating sites, we go through and show you how to: * Build and craft a great online profile. * How to discuss your relationship with people you're interested in * How to cold approach strangers offline * And, most importantly, how to protect your privacy This is *THE Ethical Non-Monogamy* book for our Generation!

The Anxious Person's Guide to Non-Monogamy May 15 2021 An essential guide to exploring and practicing non-monogamy, which prioritises your mental health and wellbeing. Suitable for any stage in your journey, it provides advice on understanding your 'why', setting boundaries, finding independence, cultivating self-compassion as well as practical considerations.

Virgins Guide to Opening a Cafe Apr 13 2021 There is no substitute for good coffee, good planning and careful consideration. This book is not designed to discourage anyone from entering the industry who truly believe the industry is suitable for them. It is designed however, to provide insight into what is involved and to encourage the reader to question his or her motives and in so doing, question their reasoning and expectations. *Virgins Guide* should serve as an education tool and a handbook to aid you on your journey. After reading this book you will have a deeper appreciation of what those trying to establish a small cafe business should consider, along with a greater understanding of what lays ahead. If you remain determined, I wish you the best of luck and truly hope that you achieve your dreams, I have experienced tremendous highs and deeply depressing lows. I humbly wish only to relay my experiences with the aid of hindsight, a valuable ingredient that the beginner cannot possibly possess.

Open Love Aug 18 2021 Who do we love? Who can we love? And how many? With *Open Love*, Axel Neustadter explores the possibilities and reveals the secrets of non-monogamous gay love. Fuck buddies, platonic friendships, spiritual partnerships: these are some of the possibilities beyond the traditional monogamous couple. Above all, however, it is the open relationship that has always posed special challenges for people willing to step outside the monogamy template. Neustadter tackles all the important questions asked by anyone who's yearned for a relationship with that certain extra quality: How do you open up a relationship without drama? What about jealousy? Is sex outside the relationship the new fidelity? Why are open relationships the new way to be safe? How gay is polyamory anyway? This book is a guide to the freedom and joy of alternative relationships. At the same time, it offers words of caution about excessive expectations and the pitfalls that can lead to disappointment and failure in free love."

Open Learning Guide for Excel 2003 Introductory Jul 05 2020 This A4 spiral bound manual has been specifically designed to provide the necessary knowledge and techniques for the successful creation and manipulation of an Excel spreadsheet. It provides the guidance you need to choose the right franchise, select a prime location, market your business, and get it up and running efficiently. You'll learn all about financing, essential business skills, hiring and managing employees, working with suppliers, and even preparing for your grand opening. This guide includes: Vital Information on things to look for when evaluating franchise opportunities—and where to look Insider Secrets from successful franchisors, franchisees, and franchise consultants Money-Saving Techniques such as using a franchise attorney to help you review the UFOC (Uniform Franchise Offering Circular) and finalize your Franchise Agreement The Scoop on the latest trends, plus profiles of the top twenty-five franchises in America Handy Worksheets to help you examine your goals and opportunities, evaluate financing options, develop a realistic business plan, and more

Open with a Close Jul 25 2019 This book has been written for anyone who has to sell as part of their life or business. If you want a dramatic increase in your sales conversions - without being pushy, manipulative or 'hard sell' - this book is for you. But be warned, what you are about to learn is likely to challenge everything you thought you knew about selling. You may find that some of what you read in these pages directly contradicts what you've been taught, and that's why this philosophy works! It's completely different to the conventional wisdom around sales. By the end of this book you will be armed with the tools you need to enter any negotiation or sales conversation with clarity and confidence. You'll learn: The twelve-step Open With A Close system to increase conversions by up to 64% How to speak to prospects and potential customers with increased belief and confidence Why the human brain is programmed for fear, and the six questions you can ask your prospects to bypass it quickly and effectively How to overcome objections such as 'I can't afford it' or 'I haven't got the time' with ease and elegance How to use the Golden Question to close more business and generate greater revenue

A Pastoral Guide to Opening Your Parish Sep 06 2020 The COVID-19 crisis has had a profound, lasting effect on our world, and our parishes are no exception. As our parishes begin to reopen following local guidelines, the Catholic faithful have many questions and legitimate concerns about what life will look like post-pandemic. A Pastoral Guide to Opening Your Parish is the go-to playbook for parish leadership to welcome back parishioners following the shutdown. This resource will equip you to move forward in a careful, hopeful, and prayerful direction. Covering pastoral ministry, finance, technology, and additional areas of parish governance, this guide provides pastors, pastoral leaders, and pastoral councils the tools they need to lead their parishes effectively in these challenging, uncertain times. This pandemic has caused all of us to hit pause in our busy lives. It has been a time of reflection and space to take a breath. Now, as our governments, businesses, and economies begin to reopen, parishes must take action. This is the time to explore new opportunities and use them wisely. Above all, this time offers us an invitation to trust in the Lord, believing that "all things work for good for those who love God" (Rom 8:28).

The Complete Guide to Open Scholarship Mar 25 2022 There has long been a debate about openness in scholarship, and even the term itself continues to be debated. Openness is a complex and multidimensional concept, and its nature in scholarship continually evolves. One of the hindrances to the transition to greater openness in academia is this lack of clear understanding about how it fits into the practice of scholarly communication. To ensure that librarians as knowledge managers can better educate scholars about the benefits and challenges of open scholarship, Victoria Martin's *The Complete Guide to Open Scholarship* brings clarity to the concept of openness, tests assumptions concerning it, and strikes the right balance between breaking down complex ideas into simpler ones and honoring the reader's intelligence and previous knowledge of the subject. Readers will learn the history of openness in scholarship as well as several ways in which openness can be perceived. Drawing on specific examples, Martin discusses the most prominent scholarly models based on openness, barriers to openness, concerns about openness in scholarship, and the future of open scholarship.

Open Learning Guide for Microsoft Word 2000 Mar 01 2020

Open Space Technology Mar 13 2021 A revised and updated edition of an acknowledged classic of the Organizational Development literature. Over 30,000 of first and second editions sold.

Open, Honest, and Direct Sep 30 2022 Building a business requires more than just a good product and talented people; it requires you to take a hard look at how you show up as a leader. *Open, Honest, and Direct* helps you dive into the heart of your business and your people, identifying changes you can make to transform the way you and your managers lead. Part business book, part personal-development guide, this is a how-to full of practical ways to not only build and lead a high-performance team but also bring out the best in your people. Being a successful manager is less about staying constantly on top of your team and more about providing clarity and context for people. *Levy's* method for creating open, honest, and direct leaders within an organization provides you with tactical tools you can put to use right away. This is a toolkit for designing a culture that supports employee performance and future-proofs your business. Many managers are promoted because they are great at what they do, but that doesn't necessarily translate into their ability to manage a team and get the most out of their people. In today's business environment where the competition for top talent is intense, it's integral to not only keep your top talent but also be able to coach all of your people and unlock their full potential. *Open, Honest, and Direct* is a field guide and powerful movement for leading that will give your organization the competitive edge it needs.

[Building Open Relationships](#) May 27 2022 Have you read "that book" on non-monogamy and still wondered "But how do you actually DO this?" Are you totally great on the theory of open relationships, but feel like you don't know how it works in practice? Join Dr. Liz Powell, psychologist, speaker, and coach, as she draws from her education, research, and life experience to bring you Building Open Relationships. This new book is an all-inclusive guide to beginning and maintaining your non-monogamous life, no matter where you fall under the non-monogamous umbrella. Complete with worksheets, discussion starters, examples, and hard-won lessons (i.e. my mistakes), this book will give you all the tools you need to be more successful in non-monogamy.

[Chew with Your Mind](#) Open Sep 26 2019 Allow me to blast a ray of sunshine through the murky clouds hovering over advertising agencies and marketing departments alike. If you've got talent, I can keep you from rolling an embarrassing string of gutter balls. Chew With Your Mind Open is here to make it make sense to the degree that advertising ever will. The politics. The personalities. The nonstop problems in need of smart and effective solutions. I was lucky. I had a great thinker in my corner for over two decades. A rock-solid, real-live 24/7 mentor. My father, Guy Day, knew the advertising racket well and was no stranger to remarkable creative work. He co-founded Chiat/Day as a writer and was the agency's president, twice. My dad helped inspire some of the best advertising of the 20th century, Apple's "1984" Super Bowl spot for example. He also inspired me. What my father gave me, is what I'm now ready to give you. Just enough big-picture guidance to be dangerous. My advice can keep you from falling into unproductive time-sucks and sinking in conceptual quicksand. I'll help you avoid the chronic wallowing, unneeded politicking, and blame game that's all too common in the business. I'll help you develop good habits that will serve you well in the worst of times. Throughout my book, I'll share how I got -- and still get -- my best thinking through the gauntlet without collecting a huge assortment of knives in my back. Granted, a few of them will be unavoidable. I'll address that part, too. My knowledge comes from real-life experiences, and my book is broken down by subject and is served one easily digestible nugget at a time. Sometimes my experiences are funny, other times embarrassing, but they always reveal an underlying truth and a learning opportunity that could spare you some scar tissue. Along the way, readers will be in the room with me as I present work, defend it, debate clients, and push the best thinking forward.

[Open Source for Business](#) Feb 09 2021 Heather Meeker's Open Source for Business is a practical, readable guide to help businesspeople, engineers, and lawyers understand open source software licensing. Based on the author's twenty years as an attorney working at the crossroads of intellectual property and technology, this guide explains the legal and technical principles behind open source licensing so you can make the right decisions for your business. It offers tips on using open source, contributing to open source projects, and releasing your own open source software. You'll also get access to quick-reference tables on the major open source licenses, plus forms and checklists you can use to promote compliance. In this book, you will learn . . . * Why open source is not a "virus" * What the GPL is and how to handle it * When and how to conduct open source audits * What a user-friendly open source policy looks like * How to avoid and respond to open source enforcement claims * How to use open source to fight patent infringement claims * How to manage trademarks for open source products

[Coping](#) Nov 28 2019 Coping is a collection of philosophical essays on how we deal with life's challenges. We hope for better times, but what is hope, and is it a good thing to hope? How do we look back and make sense of our lives in the face of death? What is the nature of love, and how do we deal with its hardships? What makes for a genuine apology, and is there too much or too little apologizing in this world? Can we bring about changes in ourselves to adapt to our circumstances? How can we make sense of all the good advice--such as, count your blessings, don't cry over spilled milk--that people have on offer? Coping is a perfect companion text for a moral psychology course, a resilience course, or part of an ethics course. The material is written for readers who are new to philosophy and progresses in short self-contained sections. It draws on literature, music, podcasts, and news items. Each chapter has questions for discussion or essay writing and suggestions for material to explore the topic further.

[Third Eye Awakening: A Beginner's Guide to Opening Your Third Eye, Expanding Your Mind's Power, and Increasing Your Awareness With Practical Guided Meditation](#) Oct 08 2020 It's time to awaken your Third Eye Starting out on your journey to awaken your third eye has led you here. In this book, we will discuss many topics connected to the third eye and its awakening. Keep in mind, however, there is no simple answer, method, or sure-fire way, as everyone is different. This book will start you off with an intriguing introduction, leading you to question your own reality, as well as your own motivation for reading this book. After that, you will be shown the various interpretations of the third eye throughout history. This will be shown through religion, simple belief systems, and biological facts. It will help you to understand the significance of the third eye from many perspectives so that you can draw your own conclusions. When you have made your conclusions, there will be many things to learn from this book, forming new steps that you need to accomplish before you can awaken your third eye. As you progress, you will realize the importance of keeping your physical body and mental state healthy and maintaining the balance between them. You will learn many techniques to help you toward the goal of awakening your third eye. However, it will all depend on your resolve to understand that which many have chosen to ignore; namely, the truth. Here's what's inside the Third Eye Awakening book: -The Steps in your journey -The importance of the balance -Tools and practice -A guide to your journey -And much more Awaken your third eye now!

[The Rebus Guide to Publishing Open Textbooks \(So Far\)](#) May 03 2020 This book is a living repository of collective knowledge, written to equip all those who want to publish open textbooks with the resources they need.
