[The Power Behind the State Feb 09 2021](#)

[Governing Global Health Jul 05 2020](#) The past few decades have seen a massive increase in the number of international organizations focusing on global health. Campaigns to eradicate or stem the spread of AIDS, SARS, malaria, and Ebola attest to the increasing importance of globally-oriented health organizations. These organizations may be national, regional, international, or even non-state organizations-like Medicins Sans Frontieres. One of the more important recent trends in global health governance, though, has been the rise of public-private partnerships (PPPs) where private non-governmental organizations, for-profit enterprises, and various other social entrepreneurs work hand-in-hand with governments to combat specific maladies. A primary driver for this development is the widespread belief that by joining together, PPPs will attack health problems and fund shared efforts more effectively than other systems. As Chelsea Clinton and Devi Sridhar show in [Governing Global Health](#), these partnerships are not only important for combating infectious diseases; they also provide models for developing solutions to a host of other serious global health challenges and questions beyond health. But what do we actually know about the accountability and effectiveness of PPPs in relation to the traditional multilaterals? According to Clinton and Sridhar, we have known very little because scholars have not accumulated enough data or developed effective ways to assess them-until now. In their analysis, they uncovered both strength and weaknesses of the model. Using principal-agent theory in which governments are the principals directing international agents of various type, they take a closer look at two major PPPs-the Global Fund to Fight HIV/AIDS, TB and Malaria and the GAVI Alliance-and two major more traditional international organizations-the World Health Organization and the World Bank. An even-handed and thorough empirical analysis of one of the most pressing topics in world affairs, [Governing Global Health](#) will reshape our understanding of how organizations can more effectively prevent the spread of communicable diseases like AIDS and reduce pervasive chronic health problems like malnutrition.

[The Power Behind Your Eyes Dec 22 2021](#) Dr. Kaplan addresses eyesight problems from a holistic and psychospiritual perspective, empowering readers to begin a self-healing journey.

[The Kingdom and the Power Jul 29 2022](#) "Beautifully documented . . . no less than a landmark in the field of writing and journalism."—The Nation "Fascinating . . .

Seldom has anyone been so successful in making a newspaper come alive as a human institution."—The New York Times In this century and the last, most of history's important news stories have been broken to a waiting nation by The New York Times. In [The Kingdom and the Power](#), former Times correspondent and bestselling author Gay Talese lays bare the secret internal intrigues at the daily, revealing the stories behind the personalities, rivalries, and scopes at the most influential paper in the world. In gripping detail, Talese examines the private and public lives of the famed Ochs family, along with their direct descendants, the Sulzbergers, and their hobnobbing with presidents, kings, ambassadors, and cabinet members; the vicious struggles for power and control at the paper; and the amazing story of how a bankrupt newspaper turned itself around and grew to Olympian heights. Regarded as a classic piece of journalism, [The Kingdom and the Power](#) is as gripping as a work of fiction and as relevant as today's headlines. Praise for [The Kingdom and the Power](#) "I know of no book about a great institution which is so detailed, so intensely personalized, or so dramatized as this volume about The New York Times."—The Christian Science Monitor "A serious and important account of one of the few genuinely powerful institutions in our society."—The New Leader "A superb study of people and power."—Women's Wear Daily

[The Power of Determination Sep 26 2019](#) Many people wonder why they are failing to live up to their potential. In [The Power Of Determination](#), Innocent Shone uses practical principles of life which are based on biblical teaching and experience to help you to understand how determination can help you to achieve your goals. Understanding the importance of determination will empower you to refuse to give up and continue to push forward until your dreams become a reality.

[Russians Apr 25 2022](#) From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries-and continue to do so today. [RUSSIANS](#) explores the seeming paradoxes of life in Russia by unraveling the nature of its people: what is it in their history, their desires, and their conception of themselves that makes them baffling to the West? Using the insights of his decade as a journalist in Russia, Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside. He gets to the heart of why the world's leading energy producer continues to exasperate many in the international community. And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super-rich and the great majority of poor. Traversing the world's largest country from the violent North Caucasus to Arctic Siberia, Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia's complex relationship with the world. From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow's streets, he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power. Feifer also draws on formative experiences in Russia's past and illustrative workings of its culture to shed much-needed light on the purposely hidden functioning of its society before, during, and after communism. Woven throughout is an intimate, first-person account of his family history, from his Russian mother's coming of age among Moscow's bohemian artistic elite to his American father's harrowing vodka-fueled run-ins with the KGB. What emerges is a rare portrait of a unique land of extremes whose forbidding geography, merciless climate, and crushing corruption has nevertheless produced some of the world's greatest art and some of its most remarkable scientific advances. [RUSSIANS](#) is an expertly observed, gripping profile of a people who will continue challenging the West for the foreseeable future.

[The Power Behind Positive Impact Oct 20 2021](#) If you want your life to be significant and mean something, the best thing you should do is to impact other people's lives. Let this book influence you to be an actor instead of an on-looker or spectator in life. The author wants the reader to study closely the people who were and still are successful and happy, so that the reader will realize the faith exercised by these people, the failures they endured and the complexity of the process they went through to have acquired their accomplishments. You do not have to have the tangible possessions to know that you are wealthy, but if you feel and conduct yourself in the manner in which other successful and happy people conduct themselves, it will feel as if you do not even need the tangible things, because of your dominant state of your mental attitude towards success and happiness. Be afraid of giving up whenever faced with an impossible challenge, perhaps as far as your mental attitude is concerned. God is helping you, He is with you, He is guiding you and He will see you through. Don't be envious and jealous; rather admire people who are successful and happy in life. Life is a blessing.

[Climate of Corruption Jun 23 2019](#) Argues that special interest groups with specific agendas and politics have corrupted the climate change debate.

[Catherine de Medici Dec 10 2020](#) Describes the life and accomplishments of the queen who worked to achieve peace between French Protestants and Catholics during the reigns of her husband, King Henry II of France, and her sons.

[Spiritual Leadership Today Feb 21 2022](#) "If you are in a position of positive influence, if you exercise leadership in any way, your faith in God gives you a power—a hidden power—that will allow you to make an enduring difference in the lives of other people and organizations. But how does that power work?" So says Mel Lawrenz in this fresh look at leadership which offers practical and biblical guidance to believers who want to have a deep influence and who want to know: What is the proper use of authority and power? Where do good ideas come from? How can we deal with failure? What does God expect of us? Drawing from more than thirty years of experience in pastoral ministry, Lawrenz writes for Christians in any position of influence. This book provides a new baseline for 21st century Christian leadership, addressing issues such as: • building integrity • seizing opportunities • exploring new horizons • speaking into crises • receiving power • accepting authority • promoting truth • managing expectations • dealing with criticism Using real-life examples, key Scripture passages, and history, Lawrenz shows that when believers align their responsibility to lead with the teaching of Jesus and the work of God's Spirit, their spiritual influence will have integrity and enduring effectiveness. "Lawrenz gives us hope that the leadership pendulum which has swung from 'over-spiritualized' to 'de-spiritualized' in recent generations may have finally come to rest where it always belonged—upon Jesus Christ." - Skye Jethani, Senior Editor, Leadership Journal, from the foreword "It is exciting to think about believers at every level of society rising to a new call to exercise powerful spiritual influence. In his newest book Mel Lawrenz has given us all a new baseline for

leadership that is personal, wise, and spiritual. It spans the generations and reaches across cultures. Just think what will happen if believers in positions of influence tie into the wisdom and the power that comes from God in order to bring restoration in our broken world!" - Mark Batterson, Lead Pastor, National Community Church in Washington, D.C.

Orbit: George R.R. Martin: the Power Behind the Thrones Mar 01 2020

Words Have Great Power Jan 11 2021 "Death and life are in the power of the tongue, and those who love it will eat its fruit." --Proverbs 18:21 Words have great power. Why should we learn to rightly use our words?

Power Behind The Mind Jun 03 2020 This book contains clear guidance for those seeking inner illumination and freedom, based on a rare understanding of the human mind and its higher powers. Marjorie Waterhouse focuses on how to apply the traditional practices that lead to the discovery of the true Self of all, which transcends the limitations of the mind and the world. Her exposition of the higher powers that lie unsuspected behind the mind, and of our latent capacity for intuition and inspiration, is unique. Yet alongside the most inspired insights, there is always a considerate and good-humoured appreciation of the challenges facing people on the way to Self-discovery.

Women the Power Behind the Crown of England May 15 2021 These are the true stories of how strong willed women of influence changed the course of history within the Crown of England. Sometimes for the good of the Kingdom of England and sometimes for their own reasons and advantages. Always however with interesting results. It is a complete history of the last thousand years of the history within the monarchy of England and how the women in the background changed it. Whether through their sexuality, their intellect or through just force of personality.

Living History Jul 25 2019 The author chronicles her eight years as First Lady of the United States, looking back on her husband's two administrations, the challenges she faced during the period, the impeachment crisis, and her own political work.

The King Whisperers Aug 06 2020 High-class armchair travel at its very best! Mona Lisa's Pajamas gives readers a round-trip ticket for a journey around the world, carrying them to distant destinations most of us will never visit. Originally written for The Wall Street Journal and Bloomberg News, A. Craig Copetas's delightfully surprising columns are now collected in book form for the first time. Covering exotic locales, improbable business ventures, artisan winemakers and memorably oddball characters, Copetas's vivid writing brings his subjects alive with richly-textured descriptions only a truly gifted observer can capture. From Sparta's souvenir sword-makers swamped with demand thanks to the hit movie 300, to a Russian golf pro whose favourite clubs were built from the scrapped metal of a Soviet nuclear missile, Copetas writes of unorthodox business pursuits and faraway locations with an infectious joie de vivre and an unerring eye for what makes enjoyable reading.

Loved but Unwanted the Power Behind the Story Aug 18 2021 LOVED BUT UNWANTED IS A TRUE STORY ABOUT A WOMAN THATS LOVED BY EVERYONE SHE MEETS. BUT THE LOVE THAT SHE REALLY WANTED WAS THE LOVE FROM HER FATHER. BUT SHE COULD NEVER GET IT. SHE FINDS OUT LATER IN HER LIFE AFTER HER FATHER DIES, WHY HE COULDNT GIVE HER THE LOVE SHE WANTED. IT WAS BECAUSE HE WASNT HER FATHER AND HE KNEW WHO her biological father was. HER BIOLOGICAL FATHER WAS THE BOSS MAN OF THE MAN SHE THOUGHT WAS HER FATHER.

The Power Behind the Throne Sep 30 2022 A driven technopreneur experiences amazing success only to find out that unseen forces control true ascendancy. He is introduced to a world of intrigue and conspiracy tying hidden futuristic secrets of the Templars to the latest artificial intelligence of the present day. The mysteries lead him to murder, potential betrayal and losing all.

Power Behind the Wheel Oct 27 2019 Tells the story of the history of the motor car, from the earliest classics to the prototypes of today, beginning with an historical overview, followed by sections on the development of the engine, the advent of design, dead-end developments and the car of the future.

Words and Seeds Mar 25 2022 Sticks and stones can break your bones and words can also harm you. Mae believes that words (whether good or bad), are actions ready to happen. In speaking the written word, we bring it to life with unlimited potential. If you understand that life and death are in the Power of the tongue, then by all means this book will give you insight on how you can check yourself before uttering the wrong words to your children, to your spouse or to your best friends or even to your co-workers. You will quickly learn how to speak, when to speak, what to speak, and why it is important to use words to our advantage, to favor ourselves, our children and our future. Mae demonstrates the Power of the Spoken Word. Her straight forward and courageous style will challenge you to understand how the spoken word influences whole societies and how you can make a real difference in your world today merely by what you speak. W. Johan Sturm, President of Animated Family Films

The Power of the Ring Jun 15 2021 Digging deep into J. R. R. Tolkien's spiritual biography—his religious scholarship and his love of both Christian and pagan myth—Stratford Caldecott offers a critical study of how the acclaimed author effectively created a vivid Middle Earth using the familiar rites and ceremonies of human history. And while readers and moviegoers alike may appreciate the fantasy world of The Hobbit and the Lord of the Rings trilogy, few know that in life, Tolkien was a devout Roman Catholic and that the characters, the events, and the general morality of each novel are informed by the dogmas of his faith. Revised and updated, this acclaimed study of Tolkien's achievement—previously released as Secret Fire in the UK—includes commentary on Peter Jackson's film adaptations and explores many of the fascinating stories and letters published after Tolkien's death.

The Power Behind "spin-ons" Apr 13 2021

Preach! The Power and Purpose Behind Our Praise Mar 13 2021 America's premiere preaching father and son team, Otis Moss, Jr. and Otis Moss III, share their preaching, insight, and inspiration in their first-ever book together with sermons on social justice and other progressive Christian topics. Each of the six sermons in "Preach! The Power and Purpose Behind Our Praise" can be downloaded in audio. Includes a reflection guide for study.

The Power Behind a Blessed Life Jan 23 2022 Understanding The Secret of Abrahams Greatness. What made Abraham have so much confidence in the Blessing? Why did father Abraham demonstrate such rare and courageous faith to the extent that he was ready to sacrifice his only son, whom he loved, the heir apparent to the covenant of blessing that God swore to him? Do you know why a man named Isaac became mightier than a nation? Do you know why God arose in His mightiness to crush Egypt because of the misery and slavery to which they subjected the Israelites? Do you know that the Blessing of Abraham has destined you and me to a life of great exploits? In this book you will discover answers and the secret to Abrahams faith; A secret that you and I need to know and embrace. This will change your perspective about the promises of God and inspire you to rule your world and to live within Gods circle of Blessing.

Spiritual Influence Aug 30 2022 "If you are in a position of positive influence, if you exercise leadership in any way, your faith in God gives you a power—a hidden power—that will allow you to make an enduring difference in the lives of other people and organizations. But how does that power work?" So says Mel Lawrenz in this fresh look at leadership which offers practical and biblical guidance to believers who want to have a deep influence and who want to know: What is the proper use of authority and power? Where do good ideas come from? How can we deal with failure? What does God expect of us? Drawing from more than thirty years of experience in pastoral ministry, Lawrenz writes for Christians in any position of influence. This book provides a new baseline for 21st century Christian leadership, addressing issues such as: • building integrity • seizing opportunities • exploring new horizons • speaking into crises • receiving power • accepting authority • promoting truth • managing expectations • dealing with criticism Using real-life examples, key Scripture passages, and history, Lawrenz shows that when believers align their responsibility to lead with the teaching of Jesus and the work of God's Spirit, their spiritual influence will have integrity and enduring effectiveness.

"Lawrenz gives us hope that the leadership pendulum which has swung from "over-spiritualized" to "de-spiritualized" in recent generations may have finally come to rest where it always belonged—upon Jesus Christ." - Skye Jethani, Senior Editor, Leadership Journal, from the foreword "It is exciting to think about believers at every level of society rising to a new call to exercise powerful spiritual influence. In his newest book, Spiritual Influence, Mel Lawrenz has given us all a new baseline for leadership that is personal, wise, and spiritual. It spans the generations and reaches across cultures. Just think what will happen if believers in positions of influence tie into the wisdom and the power that comes from God in order to bring restoration in our broken world!" - Mark Batterson, Lead Pastor, National Community Church in Washington, D.C.

Power in Words Jan 29 2020 Whatever his ratings, Obama remains personally popular, widely acknowledged for his soaring oratory. His words were one of the lasting legacies of his presidential campaign and are proving to be among his most effective governing weapons. In *Power in Words*, distinguished historian and civil rights activist Mary Frances Berry and former presidential speechwriter Josh Gottheimer introduce Obama's most memorable speeches, from his October 2002 speech against the war in Iraq and his November 2008 election-night victory speech to "A More Perfect Union," his March 2008 response to the Reverend Wright controversy, and lesser-known but revealing speeches, such as one given in Nairobi, Kenya, in August 2006. For each speech, Berry and Gottheimer add a rich introduction that includes political analysis, provides insight and historical context, and features commentary straight from the speechwriters themselves—including Jon Favreau, Obama's chief speechwriter, and several other Obama campaign writers. Compelling and enduring, *Power in Words* delivers the behind-the-scenes account of Obama's rhetorical legacy and is a collection to relish for years to come.

New York's Forgotten Substations May 27 2022 His photographs and detailed drawings bring these lost treasures to life, while his text tells their story. Anyone interested in the art of industrial America will find this book a delight."--BOOK JACKET.

Breaking the Power of Manipulation Nov 28 2019 *Breaking the Power of Manipulation* takes a serious look at the signs and the effects of a person being controlled and manipulated. Manipulation is a common phenomenon in today's world. Everyday you come across headlines of newspapers reporting how common, innocent people are being victimized in the name of religion and God. Manipulation makes you dependent upon the will of the perpetrator. The perpetrator may succeed in making you feel that you have no potential to do anything of your own without their help and intervention. He brings you to such a state of mind that you lose confidence in yourself and instead always go to him for help making even the smallest decisions. In this process, you become dependent and subjugated to that person. In this book I shall mainly focus on one spirit that is very common and found especially in religious circles, but as well in offices, families and circle of friends. One could detect it easily if one knows its behavior. It is a product of the flesh that opens the door to an evil spirit. It is behavior that operates through a person to control by the use of manipulative, domineering and intimidating tactics. When it is in the church it is to disrupt the flow of the Spirit. The devil hates the prophetic flow of God, because the prophetic ministry demands repentance and cuts away evil without compromise. The prophet always speaks against Jezebel. Additionally, the prophetic words come with creative power, which renders the enemy helpless. There is such significance in the fact that Jezebel wanted to destroy Elijah. The Jezebel spirit hates the prophetic, uncompromising voice. It cannot accomplish its agenda with a prophet around. However, I shall not so much talk about the queen Jezebel, but expose how hidden motives combine with a strong desire in certain people find ways to achieve influence and exercise control.

The Power Behind the Pouch Sep 06 2020 'Get 'em off!' several girls called out. This caught on like wild fire, as the whole club erupted with the same chant: 'Get 'em off!' 'Get 'em off!' 'Get 'em off!' - referring to the boys' G-string thongs... The penny dropped as the light bulb lit up - WOW!! I've got a Show! As these explosively unbuttoned memoirs reveal, Bari Bacco has really earned his unofficial title of 'Male Strip King' over the years. Inspired by the famous Levi's commercial from 1987 - featuring a laundrette, a Marvin Gaye song and a young man in a pair of white boxer shorts - Bari pioneered the idea of a strip show for women: hardly lacking in tanned and toned male flesh, but also catering to the female viewer's fantasy world. Bari charts the ups and downs of the Dreamboys, the group he founded and managed for many years, including the scrapes they got into through their insatiable sex drive, their meetings with such world-famous figures as Diana Princess of Wales and Elton John, and their co-starring role in the Spice Girls' hit film *Spiceworld*. But the Dreamboys could also be a nightmare: Bari reveals the grubbiness never far below the glamour and glitz, and tells the true story of how the group he had created and nurtured came to be taken away from him. *The Power Behind the Pouch* is an insider's view of the early days of what is now a multi-million pound industry. Bari proves to be a sharp-eyed and quick-witted guide to this showbiz tale with a difference.

The Theatre of Nuclear Science Dec 30 2019 *The Theatre of Nuclear Science* theoretically explores theatrical representations of nuclear science to reconsider a science that can have consequences beyond imagination. Focusing on a series of nuclear science plays that span the twentieth and twenty-first centuries, and including performances of nuclear science in museums, film, and media, Jeanne Tiehen argues why theatre and its unique qualities can offer important perspectives on this imperative topic. This book will be of great interest to students and scholars of theatre, politics, and literature.

Behind the Power Aug 25 2019 With compassionate consideration and in dramatic demonstration Dr. Turner pulls back the public veil so that we can take a peek at the beauty and warmth of the majestic strength that lies behind every man. It is the hidden power of his wife. *Behind the Power* takes you on a journey of the untold beauty of that hidden world offering tender understanding and spiritual hope.

The Power Behind Positive Thinking Jun 27 2022 The successor to the late minister Norman Vincent Peale shows readers how the power of faith, hope, and love can turn their dreams into action, redirect their negative thoughts, increase their inner strength, and give their lives balance. Original.

Hürrem Apr 01 2020 When politics and love come into play, downfall is just a matter of time. A saga that became an inspiration for creators of "Magnificent Century" series. Sultana Guldane's prophecy about Alexandra's great future begins to come true. Hailing from Rus, odalisque finds herself at Ottoman Empire ruler's palace. Suleyman doesn't seem to see world beyond red-haired beauty, whom he named Hürrem. Young woman gets pregnant, and sultan readies for war. When Padishah's armies besiege Rhodos, Hürrem gives birth to a son in Istanbul. Little prince is second in line to the throne - Suleyman already has a male heir, who was born to his former favourite, Gulbahar. However, Hürrem will do anything for the title of Ottoman throne's heir came to her child, blood of her blood, and at the same time, she could become the most powerful woman in history. Years of Suleyman's rule pass, and Russian's position at Padishah's side strengthens. Hürrem will do everything to achieve her goal, although she will have to resort to crime more than once. Will delicately woven plan work? And will price for its realization turn out too high?

The Power Behind Your Eyes Nov 20 2021 Good vision is more than the ability to see 20/20 on an eye chart. Any vision problem is a message alerting us to an unbalanced inner state. Eyeglasses, medications, and surgery may correct poor vision but they cannot correct this inner imbalance. In *The Power Behind Your Eyes*, Robert-Michael Kaplan presents *Integrated Vision Therapy* a comprehensive daily program that can actually improve as well as treat the inner causes of poor vision. More comprehensive than other vision care techniques, *Integrated Vision Therapy* takes a holistic approach to identifying the causes of vision problems and developing noninvasive, natural strategies for treatment, including clear, easy-to-follow exercises, diets, and changes in daily habits.

The Passionate Economist Oct 08 2020 One of the nation's top economists shares her insights into the new, stark economic realities, arguing that social policy is as important as economic policy.

Women the power behind the Rulers of France Sep 18 2021

Birth and Birthgivers Nov 08 2020 This volume presents varied essays exploring women's voices, agencies and aesthetics in the traditional handling of childbearing. Ayurveda as it comprehends reproduction, sohars (birth songs), birth narratives cord-cutters, dais' knowledge and compensation systems, as well as analyses of biomedical dominance and erasure of indigenous knowledge all provide a peek behind the purdah in this critical reclamation of tradition.

Behind the Power Nov 01 2022 Are you in the midst of a soul-crushing life challenge and feel lost, paralyzed, or abandoned? No matter what you are facing right now, know that you are not alone and you can move forward from this dark place. The pain you are experiencing can be the power and driving force that leads to healing and peace. Through the moving stories inside these pages, you'll discover that there is hope and that it's possible to create a fulfilling, joyful life. *Behind the Power* brings together an authentic, profound compilation of women's voices. These courageous souls share their deepest stories (some for the very first time) and the powerful lessons they learned during some of the most horrific times of their lives. Each of these women faced a life-changing crossroads and they chose to follow their inner voice, strength, and bravery. While they each were immersed in their own fear, they turned to the power behind their pain for guidance. Through their experience, some learned to be still while others followed their intuition and took massive action. Each outcome, while different, has one common denominator - trusting in the Universe. Through it all, each learned that their pain is what is *Behind the Power* that pushed them to fight for themselves. This power is what motivates them to share their stories so that they can help others tap into their soul and change their lives forever. For more information, visit www.AllysonRoberts.com.

William Cecil, the Power Behind Elizabeth Jul 17 2021 Om William Cecil, senere Lord Burghley (1520-1612), dronning Elizabeth I's (1533-1603) mægtigste rådgiver
