The Kingdom of Heaven within The Holy Book of the Great Invisible Spirit ? Oct 22 2021 The spiritual subject of past lives and reincarnation is highly controversial. Most religions don't believe it, and science cannot prove it yet. This book is an "energy healing communication" with a DNA surprise, assisting you to integrate and understand the deep-seated truths about who you are and where you came from. The information explains what is happening to us, the earth, and the universe, and what one needs to do to adapt to the new energies on the planet at this time and for the years to come. These pages contain a profound message with the new energy—a message that I have delivered many times over my many lifetimes. Who am I? and Where do I come from? are

questions that have been on the minds of everyone since the beginning. These thoughts are imprinted in our basic DNA. When I became aware of who I was in the previous lifetime just before this one (less than five months between lives)—my newfound identity propelled me into the search for the answers to the questions gnawing at my soul. Each answer provided new questions, leading me down the enlightened path to an encounter with the “Grand Divine Plan,” delivering a message of peace and preparation. We all have gifts and abilities unimaginable, ready for anyone who walks through the door. My search brought me into an awareness of knowing many of my past lives. It also revealed that my purpose of discovering was not about who I was, but that I would write about past lives and reincarnation at a time on the planet when this information would be so needed.

The Three Heavens Jan 13 2021 As sales of Hagee’s current New York Times bestseller, *Four Blood Moons*, continue to soar, hundreds of thousands of readers have had their thirst whetted to know what is to come at the end of this world . . . heaven itself! Hagee’s national media power assures another mega-bestseller.

The Great Divorce Mar 03 2020 What if anyone in Hell could take a bus trip to Heaven and stay there forever if they wanted to? In *The Great Divorce* C. S. Lewis again employs his formidable talent for fable and allegory. The writer finds himself in Hell boarding a bus bound for Heaven. The amazing opportunity is that anyone who wants to stay in Heaven, can. This is the starting point for an extraordinary meditation upon good and evil, grace and judgment. Lewis’s revolutionary idea is the discovery that the gates of Hell are locked from the inside. In Lewis’s own words, “If we insist on keeping Hell (or even earth) we shall not see Heaven: if we accept Heaven we shall not be able to retain even the smallest and most intimate souvenirs of Hell.”

Heaven’s Wager Oct 10 2020 It was an absolutely perfect day . . . until everything went absolutely perfectly wrong. Kent Anthony is a brilliant software engineer who is cashing in on a brilliant career. He’s finally living the idyllic life, far from thoughts of theft and murder and other kinds of horrible criminal behavior. He’s left his past far behind. Or so he thinks. In his very first novel, New York Times bestselling author Ted Dekker delivers a fascinating story of the almost perfect crime, interwoven with a tale of bittersweet love that is almost enough to save a soul. *Heaven’s Wager* is a story that will bring you face-to-face with a hidden world more real than most people ever realize—a world where the unseen is more powerful than anything seen. Praise for *Heaven’s Wager*: “Well, well, guess what I’ve found. A fiction writer with a rare knack for a compelling story, an expansive reservoir of clever ideas, and a unique dry wit that makes me laugh.” —Frank Peretti, New York Times bestselling author “Rarely does a novel grip a reader’s heart and soul the way *Heaven’s Wager* does. Dekker is among a very small number of writers who have mastered the challenge of blending sound theology with knock-your-socks-off storytelling.” —Robert Liparulo, bestselling author Book 1 in the *Heaven/Martyr’s Song* trilogy Bonus book 1.5: *The Martyr’s Song* Book 2: *When Heaven Weeps* Book 3: *Thunder of Heaven* Book length: appr. 80,000 words

The Heavens Sep 01 2022 “This electrifying novel of love, creativity and madness moves between Elizabethan England and 21st-century New York.” —The Guardian A New York Times Notable Book of the Year New York, late summer, 2000. A party in a spacious Manhattan apartment, hosted by a wealthy young activist. Dozens of idealistic twenty-somethings have impassioned conversations over takeout dumplings and champagne. The evening shines with the heady optimism of a progressive new millennium. A young man, Ben, meets a young woman, Kate—and they begin to fall in love. Kate lives with her head in the clouds, so at first Ben isn’t that concerned when she tells him about the recurring dream she’s had since childhood. In the dream, she’s transported to the past, where she lives a second life as Emilia, the mistress of a nobleman in Elizabethan England. But for Kate, the dream becomes increasingly real, to the point where it threatens to overwhelm her life. And soon she’s waking from it to find the world changed—pictures on her wall she doesn’t recognize, new buildings in the neighborhood that have sprung up overnight. As Kate tries to make sense of what’s happening, Ben worries the woman he’s fallen in love with is losing her grip on reality. Both intoxicating and thought-provoking, *The Heavens* is a powerful reminder of the consequences of our actions, a poignant testament to how the people we love are destined to change, and a masterful exploration of the power of dreams. “Heady and elegant.” —The New York Times Book Review “A

complex, unmissable work from a writer who deserves wide acclaim.” —Kirkus Reviews (starred review)

Letters to Heaven Jul 19 2021 In these masterfully written letters to heaven, Calvin Miller thanks, lovingly reflects on--and sometimes confesses his regrets to--the departed influences in his life. Some are names familiar to us all (C. S. Lewis, Todd Beamer, Oscar Wilde); others he knew well; and some he only admired from a distance. But all brought a brightness to his life or challenged him to live more fully in some way. Aware that eternity for any of us is only a step away, Miller has sought to complete the unfinished business of life by writing letters to the great beyond. This moving work will not only elicit a desire in readers to reconcile all things unfinished, but teach the living about the importance of people and the treasure of faith while holding out for us all the hope that awaits..

The High King of Heaven Nov 30 2019 The most sweeping and comprehensive book on eschatology that I've ever encountered. The scope of this book is simply breathtaking. -Dr. Sam Storms For the last 150 years the evangelical world has been embroiled in a Great Debate about eschatology, about the true biblical picture of God's ultimate purpose for the universe, life, and man. Much of the debate swirls around the Kingdom of God: What is its true nature? In how many stages does it enter history? How shall we interpret the Old Testament prophecies of the Kingdom-literally (in terms of Israel) or figuratively (in terms of the Church)? There is also controversy about the Consummation: Will our world get better and better, or worse and worse? Will Christ return once, twice, or even three times? When He does return, will it be before the millennium or after? How many resurrections should we expect? How many judgments? What will the universe be like when God finally creates the new heavens and the new earth? This book was written in the conviction that the High King of heaven has given his people certain master keys by which they may know the answers to these questions, and so be fully prepared for the awesome consummation of all things. In it, pastor and author Dean Davis seeks to place those keys in our hands, so that we may behold afresh the simplicity and glory of our Blessed Hope, and thereby resolve, once and for all, the Great End Time Debate.

Baal May 29 2022 The Great Canaanite God Baal is one of the most maligned deities in western religious history. Only Satan is considered more sinister and evil. This is sad because Baal is not evil at all but has been done an injustice and that is something I will be discussing at great length later in this book. Despite his falsely ascribed reputation in western religion, Baal is a mysterious God with qualities very similar to that of Yahweh of the Old Testament. In fact, they might be more alike than you can imagine. In general, the Canaanite pantheon is one of the most mysterious pantheons of the ancient Middle East. Because of the western taint, no one has truly discussed Baal in a way that does not reflect this bias. Sure, they have discussed him academically, but seldom spiritually without this weird negativity. Even other books that discuss Baal in magickal practice, do so with the inherent western bias that he is this shady, dark character with sinister motives. Yes, he like any other God and Goddess, has this side, but he was also prayed to and worshiped for good and benevolent reasons as well. He was, in fact, a savior-like figure. In this book, we will not only learn how to call upon this great God magickally, we will also dispel the myths surrounding him. As I do with all my books, I like to discuss history; I am an historian after all. We will cover: The history of Baal. His various aspects and forms. His worship and pervasiveness in ancient Biblical writings. A brief overview of the Baal Cycle. Why Baal is incorrectly equated with the Devil and evil in the West. Demonological References to Baal from the Most Obvious to the least and why they get it wrong. And finally, we will learn his great magick. He is

very powerful, I must warn you. We have a lot to cover. Let us proceed.

Fire from Heaven Mar 27 2022 New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by the author Hilary Mantel calls “a shining light.” Alexander the Great stands alone as a leader and strategist, and Fire from Heaven is Mary Renault’s unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son’s love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror’s two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone’s life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. Fire from Heaven is the first volume of the Novels of Alexander the Great trilogy, which continues with *The Persian Boy* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.”
—Hilary Mantel

Heaven is for Real Deluxe Edition Dec 24 2021 #1 New York Times best-seller with more than 11 million copies sold and Amazon’s #17 best-selling book of all time. *Heaven Is for Real* was the best-selling non-fiction book of 2011 as reported by Nielsen’s Bookscan, and was developed as a major motion picture by Sony in 2014. “Do you remember the hospital, Colton?” Sonja said. “Yes, mommy, I remember,” he said. “That’s where the angels sang to me.” When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren’t expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing their little boy’s trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how “really, really big” God is, and how much God loves us. Retold by his father, but using Colton’s uniquely simple words, *Heaven Is for Real* offers a glimpse of the world that awaits us, where as Colton says, “Nobody is old and nobody wears glasses.” *Heaven Is for*

Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Continue the Burpos story in *Heaven Changes Everything: The Rest of Our Story*. *Heaven Is for Real* also is available in Spanish, *El cielo es real*.

The Pastures of Heaven Oct 02 2022 A Penguin Classic In Nobel Prize winner John Steinbeck's beautifully rendered depictions of small yet fateful moments that transform ordinary lives, these twelve early stories introduce both the subject and style of artistic expression that recur in the most important works of his career. Each of these self-contained stories is linked to the others by the presence of the Munroes, a family whose misguided behavior and lack of sensitivity precipitate disasters and tragedies. As the individual dramas unfold, Steinbeck reveals the self-deceptions, intellectual limitations, and emotional vulnerabilities that shape the characters' reactions and gradually erode the harmony and dreams that once formed the foundation of the community. This edition includes an introduction and notes by James Nagel. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Heaven Jul 27 2019 This world that so many think is heaven is the home of sin, a hospital of sorrow, a place with nothing in it to satisfy the soul.-from "Heaven: Its Hope" Perhaps the greatest American evangelist of the 19th century, Dwight Moody inspired millions with his sermons. And though more than a century separates us from his impassioned explications of the Bible, Moody's ardor rings with overtones of today's fundamentalist Christianity...and can offer critical clues to understanding the orthodox religious outlook still dramatically influencing our culture in the 21st century. Moody explains why Christians believe: . that the Bible is invariably correct ("None of the other religious volumes, like the Koran, that claim a divine origin, agree with common sense"). who resides in

heaven ("The inhabitants of Heaven will be select"). that they are set apart from the larger culture ("We must go against the current of this world"). and more. Also available from Cosimo Classics: Moody's *The Way to God and Sowing and Reaping*. American evangelist DWIGHT LYMAN MOODY (1837-1899) was born in New England, the child of a large working-class family. A religious conversion as an adult led him to found a ministry in Chicago, to work as a battlefield missionary during the Civil War, and eventually to lead massive evangelical crusades during the 1870s and 80s in both England and the United States. He found Christian schools and a Christian publishing house, which published his many nondenominational evangelical tracts.

The Heavens Declare the Glory of God Nov 03 2022 Dr. Ron McRay is about to do something extraordinary. This book will present to you the subject of Biblical astrology. Do not be frightened, for you are about to be introduced to one of the most fascinating subjects of the Bible. "Pagan" astrology, motivated by evil, and counted on by millions of people down through the ages, is actually the "gospel according to 'satan.'" It is designed to blind mankind to the true "ordinances of heaven." This misguided view of the heavens has infiltrated into Christian society. Coffee break discussions of personal experiences mention the "alignment of the stars" rather than the providence of the Creator. The daily newspaper horoscope is read by countless numbers of professing believers in GOD. A biblical understanding is needed to give the glory back to GOD where it belongs. The gospel is contained in the stars of heaven. Even without the Bible, Yahweh has provided his wonderful story and plan of redemption forever etched in the night skies. Their stories should be trumpeted by believers everywhere to bring the glory of Yahweh's work to a sinful world.

The Great Contest: War In Heaven Oct 29 2019 The first book of the Great Contest trilogy. This text expounds upon the war in heaven and what led to the schism between the Angels of light and darkness. Most biblical scholars do not realize that it was YHWH Elohim declaring, "Let There Be Light" that revealed

Christ as the light to the Angels and world. That it was in that moment that the creation became visible and seeing the wide expanse of manifest world for the first time since being created that all the morning-stars shouted for joy. It was also in that moment that dominion was granted to the Son and Lucifer being envious of Christ's appointment, conceived in mind the thought of exalting his throne above the stars and clouds of God. It was in this moment that iniquity led him to conspire overthrow which was the origin for the war in heaven.

The Great Escape Dec 12 2020 In the beginning, when Adam disobeyed the mandate of God, he fell from the lofty heights of the heavens. He lost his keen awareness of God and ceased to operate in the higher realm of the kingdom. Adam then became prisoner to the limited realm of earth and its restrictions but God had a plan for the redemption of man and the restoration of his dominion on the earth. God's plan for man was THE MAN, Christ Jesus. Jesus came into the world to raise all men from the dust of circumstance into the glorious liberty of the Spirit of God. Jesus came to open the eyes of man's understanding that all might know the hope of God's call and the riches of His inheritance in the saints. Jesus came to free every man from the spiritual chains of fear, guilt, and condemnation. Jesus came to free man from the demands of the law. Jesus came to liberate man from the island of the five senses into the unbounded glory of the heavens. The revelation of Jesus and His finished work IS "The Great Escape" from every form of death and corruption.

Testimony of the Heavens Jun 05 2020 A thirteen-week Bible study, that examines how "The heavens declare the glory of God" (Ps 19:1 – KJV). You will learn how the heavens boldly proclaim far more than you might have considered. His redemptive promises are found there in great detail. The Testimony of the Heavens uses both scriptural and historical evidence to show that the constellations foretell of the bruised Hero who crushes the head of the enemy (Genesis 3:15), among other prophecies. Scripture and history will also show these very same constellations have been perverted by astrology and myths. The original stories found in the 48 constellations are examined in the light of God's written revelation. You will be amazed as you search the numerous references to the constellations in the Bible and learn how the constellations match the biblical truth. In the same way that Christ is found on every page of Scripture, the revelation of His person, work, and promises can be found in every corner of the sky. Your faith will be strengthened by this Bible study of God's magnificence, power, and loving kindness as He displays His promises to us in the great dome of the sky. Beautiful illustrations of the ancient constellations have been integrated with this study of Scripture, engaging your visual senses with the art of the heavens. Testimony of the Heavens is approved curriculum for home Bible studies at Canyon Hills Community Church, Bothell, Washington. The Rev. Mark G. Barrett, M.Div., Canyon Hills School of Ministry, states, "One of my favorite verses in all the Bible is Psalm 19:1 'The heavens declare the glory of God; And the firmament sheweth his handywork.' I have raised my children to understand that God's glory is not only found in divine Scripture but also in natural revelation. Sherstad and Barbich's work puts feet to that truth! I found their book to be an insightful, enjoyable study that is very well documented biblically. It will open the readers' eyes to the incalculableness of God's cosmic prophetic capabilities in time and space."
