**How To Make Money FAST** Jan 13 2021 Let's face it. Most of us, at one point or another, have been faced with a financial emergency, or a plain, old-fashioned cash crunch. It's definitely not a fun spot to be in. While there are steps we can take to avoid such situations (more on that later), that's often the last thing on our minds when we need to come up with the money — quick. To assist, I've compiled the following list of money-making ideas. While some of the items included are more lucrative than others (you'll never get rich taking surveys, for example), they all share a common theme: making money fast. Ready? Let's grab the book and dive in.

**Celebrity, Inc.** Jan 01 2020 From \$10,000 tweets to making money in the afterlife, a recovering gossip columnist explores the business lessons that power the Hollywood Industrial Complex Why do celebrities get paid so much more than regular people to do a job that seems to afford them the same amount of leisure time as most retirees? What do Bush-era economics have to do with the rise of Kim Kardashian? How do the laws of supply and demand explain why the stars of Teen Mom are on the cover of Us Weekly? And how was the sale of Brad Pitt and Angelina Jolie's baby pictures a little like a street drug deal? After a decade spent toiling as an entertainment journalist and gossip columnist, Jo Piazza asks the hard questions about the business behind celebrity. Make no mistake: Celebrity is an industry. Never in the course of human history has the market for celebrities been as saturated as it is today.

Nearly every day most Americans will consume something a celebrity is selling—a fragrance, a sneaker, a song, a movie, a show, a tweet, or a photo in a magazine. With the benefits of Piazza's unique access to the celebrity market, Celebrity, Inc. explains in detail what generates cash for the industry and what drains value faster than a starlet downs champagne—in twelve fascinating case studies that tackle celebrities the way industry analysts would dissect any consumer brand.

**Stone Of Fire** Apr 27 2022 When fire falls from the heavens... will the whole world burn? Dr. Morgan Sierra, an Oxford University psychologist with a deadly past, doesn't know the answer to that question — and doesn't care. All she knows is that her sister and niece have been abducted, held hostage for the stone pendants that Morgan and her sister wear: two of twelve relics once owned by the original Apostles. Forged in fire and wind, drowned in the

blood of martyrs, the twelve Pentecost stones have been kept secret for two thousand years. But now the Keepers of the stones are being murdered, and the relics stolen by Thanatos, a shadowy group dedicated to remaking the world into a living Hell. The authorities are clueless; the world lies helpless. And Thanatos grows more powerful with each stone they take. Enter Jake Timber — agent of ARKANE, the British agency tasked with investigating the supernatural. Jake knows some of the secrets Morgan needs to save her family, but can't stop Thanatos without her help. Only together can they stop Thanatos before the stones are captured, before Morgan's family is murdered, and before the world is changed forever. From flooded ruins in Italy, to religious sites in Israel, to the far reaches of Iran and Tunisia, Morgan and Jake must race across the world to find the stones before Thanatos gathers the relics and uses their power to turn Earth into a living Hell. But every step they take brings Morgan and Jake closer to the end. To the knife edge between salvation and madness. To the moment when Morgan will have to decide whether she will save her family... or save the world. Time is running out. Thanatos draws near. And the day of Pentecost is at hand. *Stone of Fire* is the first book in the ARKANE series by New York Times and USA Today bestselling author J.F. Penn. Tap the link, grab your copy, and find the ARKANE in an adventure two thousand years in the making...

This book is the no-holds-barred resource you need, and it will not only help you get your business off the ground, but also guide you through all stages of success and expansion.

**The Book on Making Money** Feb 23 2022 After skipping college, Steve Oliverez worked a series of low-paying jobs before setting a remarkable goal for himself - to double his income every year. In *The Book On Making Money*, he reveals what he learned while successfully hitting this goal for seven years in a row, growing his annual income to more than \$1 million. Walking readers through the steps he took to reach his goal, he shows how they can apply the same techniques to greatly increase their own income, whether they work for someone else or run their own business. Oliverez spells out his disagreements with the traditional wisdom that tells young adults to go to school, get good grades and find a safe, steady job - advice that has left many Americans with tens or hundreds of thousands of dollars in student loans, credit card debt or mortgages on homes they can't afford. He also assaults the idea of saving one's way to wealth as absurd and counterproductive, using his own experience of trying to save money while poor as an example. Instead of promoting an austere lifestyle of clipping coupons and spending as little as possible, he shows how those habits can actually prevent people from becoming wealthy.

**Career Change** Jan 31 2020 Are you tired of asking "What should I do with my life?" Are you sick of your job? Don't worry, I know how you feel! I used to start every working week saying "I hate my job" and spend every Friday night drinking too much to drown my misery. I was a cubicle worker in large corporates, going to pointless meetings, writing endless documents no one would read, testing computer systems that would soon be obsolete. Every day, my soul and my creativity died a little. Maybe you feel the same? Well, life is too short to just exist on the edge of breakdown, and there is a better way of living. You need to discover what you love to do and then make that your job, your life's work. This book will take you through understanding the way you feel now as well as how to improve your current situation immediately so you can create enough space to work on breaking out and doing what you truly love. It also contains the career change process I used to go from management consultant to full-time author-entrepreneur. It's time to change your career and your life.

**How Not To Make Money** May 05 2020 When booze smugglers Jai and Mike reconsider their options after another close brush with the law, their friend Aziz, a corporate lawyer comes up with a plan for all of them to rake in even more money with less risk. Setting up an undetectable, foolproof scam, the boys who grew up together in the same London neighbourhood are now going to grow rich together, and quick. As with the best laid plans, they'd not counted on a few bumps along the way in the form of the intrepid fraud investigator who picks up on their trail, and Pam, the femme fatale whose sari blouses leave less to the imagination than bikinis, who has her eye set firmly on Jai. Knowing you have to risk it big to make it big, the boys put everything on the line in this high-speed thrill ride of a novel. But will they come out laughing or are they walking into a trap?

Yet Jean Chatzky constantly hears all the excuses why women can't and don't master their money. Now, she reveals the secrets and the strategies she created to take control of her own

money—strategies through which she gained her “money confidence.” It’s time for you to find yours! In *Make Money, Not Excuses* Jean shares these valuable lessons: • Where to start • How to get over your “I’m not smart enough to deal with money” feelings • Why being a “good-enough investor” will make more money for you in the long-term (while trying to be a “great investor” will drive you crazy) • How (and where) to save your money • Why women make better investors—and higher returns—than men • How to track where you’re overspending • How to pay off your debt Jean is unsurpassed in her ability to explain money and investing in simple, straightforward ways. Here she breaks down the scariest parts of dealing with money—from investing in stocks to saving for your retirement—and makes them practical, easy, empowering, and, yes, even enjoyable. This is your road map to real wealth. “Chatzky writes like the smart, candid best friend you wish you had.” —Newsweek
