Now Cypher must decide not only how to protect his newfound mate and his people, but also how to destroy the only family he has left. Unbeknownst to Jen, in an act of desperation to protect his unborn child and mate, Decebel strikes a deadly bargain with the Great Luna-his life in place of his child's. There is only one way for that to happen; the bond between he and Jen must be broken. As Jen as Decebel struggle through their darkness, another kind of darkness is infiltrating Fane's heart. Doubts and questions linger as he tries to cope with the emotions brought on in the aftermath of Desdemona's curse. Love the One You Hate Mar 01 2020 Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at

Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure-I intend to find out.

King of the Court May 15 2021 We don't get a lot of NBA superstars coming through little ol' Pine Hill, Texas. That's why everyone is all in a tizzy over the fact that the USA men's Olympic basketball team will be training here of all places before this year's Summer Games. With little else to talk about, rumors about the players have been spreading like wildfire, and there's one man in the middle of it all holding a match. Ben Castillo. NBA champion. Olympic gold medalist. Widely hailed 'King of the Court'. The morning he walks into my dingy diner, I have enough sense to keep my head down and go right on wiping tables, pouring coffee, and serving up short stacks. A man who looks like that-superstar or not-has only ever meant trouble, and more trouble is the last thing I need, what with taking care of Nan and scraping by on tips from truckers. If anything, he seems drawn to my indifference. His steely gaze pierces me behind the counter. My knees nearly buckle under the weight of his attention. But while Mr. Pretty Boy is probably used to snagging city girls with a smile, this gal is country strong. I won't be some clichéd convenience for him on his way through town. So look over your choices carefully, Benny-boy. We serve up sides of hash browns here, not heartbreak.

Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him? Date Me Like You Mean It Jul 29 2022 I'm good at hiding my feelings. Having to pretend I'm not in love with my best friend? Pfft. That's child's play. Here's how I do it: I avert my eyes when he walks out of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside drawer.

Wink. Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend. Date me like you mean it, I told him. Nudge nudge. C'mon, just go along with a little lie, help a girl out, and then we can all return to life as we know it. Except he veered from the plan. He crossed the line. Flirting with me when no one else was around? Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?! I'd ask him about it if I could, but well...things got ugly and we're not best friends anymore. In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part. Pretending not to hate him? Well...I might need a little more practice.

The Grey Lady Feb 09 2021

Make Me Bad Aug 18 2021 I was issued a warning: stay away from Ben Rosenberg. As Clifton Cove's resident "king," he thinks he's entitled to anyone and anything. The trouble is, I've spent my whole life following the rules and playing it safe. I know what it feels like to be the good girl. I'm the police chief's daughter and a librarian-for adorable children, no less. My wardrobe consists of colorful sundresses and baggy jeans. I might as well have a Post-it stuck to my forehead that reads: Yup, she's a virgin. An all-nighter with a fictional hunk is about as exciting as my life gets, until one day, fate decides to take pity on me and shove me straight into the path of Mr. Off-Limits himself. Oof. Just as I suspected, every inch of him promises to be my demise. Up close, he's tall, menacing, dangerously handsome-the type of man who's never spent a single moment worrying about the opinions of others. A well-behaved girl would do as she's told and avoid him at all costs, but I'm overdue for a little rebellion. No more Friday nights sprawled out on the couch in my comfiest

pajamas. No more wishing I had the courage to misbehave. Everyone thinks Ben is going to ruin me. They think he'll chew me up and spit me out. Well, Ben...go ahead. Tempt me. Taunt me. Make me bad.

Lady Jane Grey Dec 22 2021 Lady Jane Grey, is one of the most elusive and tragic characters in English history. In July 1553 the death of the childless Edward VI threw the Tudor dynasty into crisis. On Edward's instructions his cousin Jane Grey was proclaimed queen, only to be ousted 13 days later by his illegitimate half sister Mary and later beheaded. In this radical reassessment, Eric Ives rejects traditional portraits of Jane both as hapless victim of political intrigue or Protestant martyr. Instead he presents her as an accomplished young woman with a fierce personal integrity. The result is a compelling dissection by a master historian and storyteller of one of history's most shocking injustices.

The Grey Fairy Book Jun 23 2019 There was once upon a time a king who was so much beloved by his subjects that he thought himself the happiest monarch in the whole world, and he had everything his heart could desire. His palace was filled with the rarest of curiosities, and his gardens with the sweetest flowers, while in the marble stalls of his stables stood a row of milk-

white Arabs, with big brown eyes. Strangers who had heard of the marvels which the king had collected, and made long journeys to see them, were, however, surprised to find the most splendid stall of all occupied by a donkey, with particularly large and drooping ears. It was a very fine donkey; but still, as far as they could tell, nothing so very remarkable as to account for the care with which it was lodged; and they went away wondering, for they could not know that every night, when it was asleep, bushels of gold pieces tumbled out of its ears, which were picked up each morning by the attendants. After many years of prosperity a sudden blow fell upon the king in the death of his wife, whom he loved dearly. But before she died, the queen, who had always thought first of his happiness, gathered all her strength, and said to him: 'Promise me one thing: you must marry again, I know, for the good of your people, as well as of yourself. But do not set about it in a hurry. Wait until you have found a woman more beautiful and better formed than myself.' 'Oh, do not speak to me of marrying,' sobbed the king; 'rather let me die with you!' But the queen only smiled faintly, and turned over on her pillow and died. For some months the king's grief was great; then gradually he began to forget a little, and, besides, his counsellors were always urging him to seek another wife. At first he refused to listen to them, but by-and-by he allowed himself to be persuaded to think of it, only stipulating that the bride should be more beautiful and attractive than the late queen, according to the promise he had made her.

To the Last Man Jan 11 2021 Imagine if Romeo and Juliet were set among the sheep ranching families of Arizona. Add in a heavy dash of frontier action and adventure, and that neatly sums up the plot of Zane Grey's *To the Last Man*, which follows a blossoming romance among members of feuding clans in the vast open plains of the Wild West.

The Heritage of the Desert Feb 21 2022 "BUT the man's almost dead." The words stung John Hare's fainting spirit into life. He opened his eyes. The desert still stretched before him, the appalling thing that had overpowered him with its deceiving purple distance. Near by stood a sombre group of men. "Leave him here," said one, addressing a gray-bearded giant. "He's the

fellow sent into southern Utah to spy out the cattle thieves. He's all but dead. Dene's outlaws are after him. Don't cross Dene."The stately answer might have come from a Scottish Covenanter or a follower of Cromwell."Martin Cole, I will not go a hair's-breadth out of my way for Dene or any other man. You forget your religion. I see my duty to God." "Yes, August Naab, I know," replied the little man, bitterly. "You would cast the Scriptures in my teeth, and liken this man to one who went down from Jerusalem to Jericho and fell among thieves. But I've suffered enough at the hands of Dene."

The Order will stop at nothing to gain power, including kidnapping the pack's children and its beleaguered healer. The Romanian pack would love nothing more than to bring the wrath of the Great Luna down upon their foes. But how can they do that when their enemies hold captive the pack's greatest treasures. Before this is over, bonds will be tested, a new leader will rise, and all hell will break loose.

dimples? Yeah, they make my stomach dip too. On good days, I catch his sleek Porsche winding down the tree-lined drive. On better days, I steal a glimpse of his handsome profile as we pass in the hall. And on the absolute best day, I find him alone at the bar, looking for company. "Come have a seat." Those four little words set me down a path I never could have imagined. Private planes, penthouse suites, and temptations around every corner make it impossible to keep my distance.
