*World War I* Oct 20 2021 Barrett provides a complete guide to the Dewey Decimal and Library of Congress classification of subjects relating to the First World War.

Nikon Sep 30 2022 Nikon's high-end 36MP D800 and D800E DSLRs have been consolidated with the release of the D810. It is not simply an upgrade: major changes substantially extend its capabilities and make the camera more attractive to buyers considering a move to a full-frame camera. Some features from the D4s have been incorporated into the D810. Videographers, for example, will be pleased with additions to its video feature set. Other refinements include a redesigned shutter and mirror mechanism to reduce the shock of shutter actuation, which can reduce resolution. There's also a new S-Raw mode for reduced-resolution raw capture.

*The DAM Book* Jan 29 2020 One of the main concerns for digital photographers today is asset management: how to file, find, protect, and re-use their photos. The best solutions can be found in *The DAM Book*, our bestselling guide to managing digital images efficiently and effectively. Anyone who shoots, scans, or stores digital photographs is practicing digital asset management (DAM), but few people do it in a way that makes sense. In this second edition, photographer Peter Krogh -- the leading expert on DAM -- provides new tools and techniques to help professionals, amateurs, and students: Understand the image file lifecycle: from shooting to editing, output, and permanent storage Learn new ways to use metadata and key words to track photo files Create a digital archive and name files clearly Determine a strategy for backing up and validating image data Learn a catalog workflow strategy, using Adobe Bridge, Camera Raw, Adobe Lightroom, Microsoft Expression Media, and Photoshop CS4 together Migrate images from one file format to another, from one storage medium to another, and from film to digital Learn how to copyright images To identify and protect your images in the marketplace, having a solid asset management system is essential. *The DAM Book* offers the best approach.
