Iago Jul 07 2020 An unforgettable adventure beginning where Shakespeare's Othello leaves off Wounded in love, tormented by his past, Shakespeare's most complex villain is brought magnificently to life in this tale of two adversaries—one an accused killer; the other, one of the most powerful men in Venice. Having escaped from Cyprus, accused of the murders of the governor, known as the Moor, and his lovely young wife, Iago is now locked in battle with Annibale Malipiero, known as Il Terribile, the chief inquisitor of Italy's greatest city. Malipiero is repelled by the more brutal tasks of the interrogante. His obsession is with the very nature of evil. What makes a man into a murderer, he longs to know? Is Iago a lone psychopath, or does he lie at the heart of a more widespread Ottoman conspiracy? Malipiero knows that torture will not provide him with the answers he seeks. But there is, perhaps, a more audacious and unusual route to the truth . . . Exuberantly inventive, thrillingly complex, and richly entertaining, Iago will captivate fans already familiar with Shakespeare and appeal to anyone who loves a rich historical novel. Iago marks the emergence of a remarkable new literary voice.

La piccola principessa Nov 03 2022 Costretta a trasferirsi in un tetro collegio inglese, Sara si conquista tante nuove amiche grazie alle meravigliose storie che sa inventare. Ma quando suo padre muore, lasciandola in miseria, l'arcigna direttrice la obbliga a fare da serva alle sue

compagne. Sara pero non si arrende e, immaginando di essere una principessa, affronta le umiliazioni con coraggio e nobiltà d'animo. Senza abbandonare la speranza che la sua favola avrà un lieto fine.

Violent Truth Aug 08 2020 Truth is pain. The truth I hide has left me nothing but rage and a need to hurt. Until Truth, personified by golden curls and innocent, haunted eyes, walks into my life and lies to me. I know nothing about Verity except that she doesn't add up. The lies uttered by that luscious mouth don't seem to matter, though. Because I can't rid myself of this all-consuming need for her. I try to push her away. To make her flee. But the more she runs, the more I need to hold her close. Truth is pain, and I learn just how much when Verity reveals her truth to me. When her captors drag her back to her gilded cage, determined to destroy the beauty of her soul, I will hunt them down, and before I kill them, I will show them what pain truly is. No one will hurt my truth and live. Previously released as Preserving His Truth WARNING: This book is not for the faint of heart. It will tear your heart out and stomp on it before putting it back together. The characters are not perfect, and the heroes are flawed. If you're looking for sunshine and rainbows, I suggest you try another book. But if you want real emotion with a happily ever after, then you've found your book. TRIGGERS: human trafficking, attempted sexual assault, violence, kidnapping, talks of rape

Serenata and Festa Teatrale in 18th Century Europe May 05 2020 This volume is dedicated to "Serenata and Festa Teatrale in 18th Century Europe", especially to the production of this music-dramatic genre at the courts on the Iberian Peninsula, in Italy, and the Holy Roman Empire where it was an integral part of court ceremonials and a privileged ritual of repraesentatio maiestatis. The 16 studies on patrons and artists, exceptional events and local traditions, reveal highly interesting material for the research on these up to now largely neglected genre. Any approach to these works full of metaphors, symbols and allusions has to take into account the context of the celebration and the resulting multiplicity of aspects: choice of themes, dramaturgical forms, textual and musical structures, vocal and instrumental ensembles, and the various options regarding the stage apparatus. "Serenata and Festa Teatrale in 18th Century Europe", edited by Iskrena Yordanova (Lisbon) and Paologiovanni Maione (Naples), inaugurates the series "Cadernos de Queluz", a subseries of "Specula Spectacula" by Don Juan Archiv Wien.

Aunt Dimity and the Widow's Curse Feb 11 2021 Nancy Atherton's twenty-second cozy mystery in the beloved, nationally bestselling Aunt Dimity series. It's early April in the small English village of Finch. Lori Shepherd's husband and sons are spending Easter break camping, and Lori is perfectly happy to be left at home with Bess, spared a week of roughing it with a curious toddler. The two attend a village events committee meeting and Lori is astonished when the elderly, soft-spoken widow Mrs. Annabelle Craven stands to make an announcement: she's decided to hold a quilting bee in the old schoolhouse. At the quilting bee, Lori ends up seated beside Mrs. Craven, delighted at the opportunity to learn more about her neighbor's life in the village of Old Cowerton. But dear, sweet Mrs. Craven's stories reveal a startling secret about her first husband's death. With Aunt Dimity's advice, Lori sets out to learn the truth about what the residents of Old Cowerton refer to as the "widow's curse"--and the deeper she digs, the more horrifying the tale becomes, until she discovers the most astounding revelation of all. Watch out for Atherton's latest, Aunt Dimity and the King's Ransom, coming out in July 2018!

Chéri and The End of Chéri Jan 25 2022 Colette's celebrated novels about an older courtesan and her young lover, now in a new translation and published in one volume. Colette's Chéri (1920) and its sequel, The End of Chéri (1926), are widely considered her masterpieces. In sensuous, elegant prose, the two novels explore the evolving inner lives and the intimate relationship of an unlikely couple: Léa de Lonval, a middle-aged former courtesan, and Fred Peloux, twenty-five years her junior, known as Chéri. The two have been involved for years, and it is time for Chéri to get on with life, to make something of himself, but he, the personification of male beauty and vanity, doesn't know how to go about it. It is time, too, for

Léa to let go of Chéri and the sensual life that has been hers, and yet this is more easily resolved than done. Chéri marries, but once married he is restless and is inevitably drawn back to his mistress, as she is to him. And yet to reprise their relationship is only to realize even more the inevitability of its end. That end will come when Chéri, back from World War I, encounters a world that the war has changed through and through. Lost in his memories of time past, he is irremediably lost to the busy present. Paul Eprile's new translation of these two celebrated novels brings out a vivid sensuality and acute intelligence that past translations have failed to capture.

La Piccola Principessa Ilsea Oct 02 2022 "L'istoria di questa leggenda e essa stessa una specie di leggenda, scriveva P. J. Stahl nell'Avvertenza che precede il racconto. L'autore di questo gentile poema è una giovinetta; se l'aveste letto non ci sarebbe bisogno di dirlo, perché è solo un'anima verginale che può creare una cosa così candida e pura. Ma il nome che portava sulla terra la cara anima che creò questo racconto, l'ho chiesto invano alla Germania, sua patria." P. J. Stahl è lo pseudonimo con cui l'editore Pierre-Jules Hetzel, editore di Balzac, Hugo, Zola, era conosciuto come scrittore.

Merciless Mar 03 2020 I'm not always the hero. Sometimes I'm merciless. My whole life I've been the good guy—loyal friend, helpful son, dedicated firefighter—but in the bedroom I'm someone else. That's where my inner villain likes to come out and play. With a kink as taboo as mine, it's too risky to play with anyone who doesn't crave it like I do, so I've gotten used to depriving that side of me. Then I see her. She's the most beautiful creature I've ever seen and my darker half recognizes itself in her mysterious brown eyes. She's everything I could ever want and thought I would never find. Our arrangement may seem twisted to everyone else, but the sex is explosive—and soon my soul demands to own every part of her. We come from different worlds that want to tear us apart at every turn, but I'll be damned if I let them. I will fight for our future, and I will be...merciless. Reader Advisory: Merciless deals with forced fantasy between consenting adults. Readers sensitive to non-consensual sex fantasies should be advised. Each book in the Playboys in Love series is STANDALONE: * Shameless * Ruthless * Merciless

Cheri (Dual-Language) Nov 22 2021 Superb story of a love affair between Lea, a still-beautiful 49-year-old ex-courtesan, and Cheri, a handsome but selfish young man 30 years her junior, is widely considered the author's best work.

La piccola principessa Sep 01 2022 «Qualunque cosa le succeda, lei sarà sempre una principessa, sempre!» Frances Hodgson Burnett, La piccola principessa

Una ragazza fuori moda Oct 22 2021 Con la sua costante allegria, Polly, figlia del pastore di una piccola congregazione di campagna, arriva in città ospite della ricca famiglia dell'amica Fanny Shaw. E per gli Shaw la ragazzina è come un raggio di sole, che entra nella loro casa portando quel calore che per tanto tempo era mancato. A sei anni dalla prima visita, Polly, ormai una giovane donna, torna in città come insegnante di musica e riprende i contatti con Fanny. Grazie alla sua educazione e ai suoi profondi valori morali, sarà in grado di aiutare l'amica ad affrontare un grave rovescio economico, diventando per tutta la famiglia un importante punto di riferimento e, forse, anche qualcosa di più.

Approaches to the History of Written Culture Oct 29 2019 This book investigates the history of writing as a cultural practice in a variety of contexts and periods. It analyses the rituals and practices determining intimate or 'ordinary' writing as well as bureaucratic and religious writing. From the inscribed images of 'pre-literate' societies, to the democratization of writing in the modern era, access to writing technology and its public and private uses are examined. In ten studies, presented by leading historians of scribal culture from seven countries, the book investigates the uses of writing in non-alphabetical as well as alphabetical script, in societies ranging from Native America and ancient Korea to modern Europe. The authors emphasise the material characteristics of writing, and in so doing they pose questions about the definition of writing itself. Drawing on expertise in various disciplines, they give an up-to-date account of the current state of knowledge in a field at the forefront of 'Book History'.

Closer Apr 15 2021 Vibrantly imaginative and starkly honest, Closer takes the reader into realms that most of us are hesitant to traverse. Al shows us it is worth taking the journey into spiritual doubt, to face images of death and to bear the loss of our own bearings. His poetry carries us deeply into places where we can touch love along with her inescapable companions-- grief, gratitude, suffering and redemption. With his gifted capacity to bring meaning into paradox, Al gives us poetry that moves into darkness lightly and opens the way into the mysteries of the myriad losses and renewals we experience in this life. Amplified by the beautiful illustrations of John Francis, this poetry rises like a thin wind over an oceans ever shifting tides. Praise for Closer There is a line that I love in this collection: I cant turn blood into ink. That is exactly what Al does in his poems: he turns the blood he has shed and feels in his veins and translates it all into words, poems, ink; he turns the sea into ink, dreams into ink, children, grandchildren, hope, loss, mountains, grief, peonies, birds - all into ink and that is his art. Suzie Ryan Editor, Desert Call This is a collection of reflections on the most difficult journey the search for meaning in life for a sensitive human being- a journey looking for and being looked for. The beauty of language is picked with care and the love of a true poet moulding the poems into a thing of elegance and of haunting reverberations. There are yearnings, memories and glances into moments of deep pain and moments of pure beauty intermingling, even in the same sentence. These poems expose the deepest emotions and allow a glimpse into the soul. Margaret Scollan Spiritual Director, County Sligo, Ireland There is a beautiful use of language in these poems such that the words take on a power of their own an event, a punctuation, can change your life. There is a common thread here: a glimpse into the mystical, moving far away to find something close by and getting tragically lost or tantalisingly, nearly found. Liam Scollan Homeopathic Physician and Founder of Mentorprise These poems each stand as an individual personality in their own wisdom and strength. I would even describe one or two as Monoliths. I found I could not rush through them and indeed, had to put them down and let certain phrases just circulate and dialogue with my own experiences in this fractured world. Als work is very journeyed on a human level and he is a very articulate and personable travel guide as he maps out the terrain anecdotally and otherwise. The familiarity and honesty around human 'being' including its suffering and spiritual salvation strike at the 'deep heart's core' of me... Hard to define...not always easy or pleasant, definitely not...but always sure-footed, rich and finely tuned. Clare Lynch Author of Life Through the Long Window

Socrates in Love: Philosophy for a Passionate Heart Mar 15 2021 “[Phillips takes] philosophy out of the ivory tower and into the street.”—Los Angeles Times Christopher Phillips goes to the heart of philosophy and Socratic discourse to discover what we’re all looking for: the kind of love that makes life worthwhile. That is, love not defined only as eros, or erotic love, but in all its classical varieties. Love of neighbor, love of country, love of God, love of life, and love of wisdom—each is clarified and invigorated in Phillips’s Socratic dialogues with people from all walks of life and from all over the world.

Nella terra dei sogni proibiti Apr 03 2020 George ed Elisa si conoscono grazie a una terribile coincidenza. In Campania, nel 1943. Elisa è bellissima e George è un soldato. Si incontrano dopo lo sbarco degli inglesi sulle coste italiane, in una mattinata di mercato e grande trambusto. Lui non è coraggioso ma per lei diventa il più temerario degli eroi, diventa il suo eroe. Uccide per salvarla da un destino forse peggiore della morte, salva il suo corpo e la sua anima. George però è un animo inquieto, in perenne fuga, da se stesso in primis, dal suo paese, dalla guerra, da chi lo cerca e lo ama, dal destino, dalla vita più che dalla morte. La storia di George ed Elisa si intreccia con quella di Charlie, compagno di guerra di George che, con assoluta dedizione, nonostante la sregolatezza che lo contraddistingue, si consacra alla ricerca dell’amico “scomparso”. Una luna candida e immobile vigila sui protagonisti del romanzo, li guida, indica loro la strada da seguire, nonostante l’agire umano sia crudele e nefasto. Antonio Il Grande, giovanissimo autore, sorprende ed affascina con il suo esordio letterario, breve e intenso, passionale e cruento.

Saint Tropez - I sogni sono vita Aug 20 2021 L’autore, per descrivere il contenuto della sua opera-prima , si limita a confidarci un modo di dire che, invero, non condivide affatto e che, al tempo stesso, rende possibile comprendere molto di lui. Questo “modo di dire”, che, in realtà, è una vera e propria domanda - seppur meramente retorica - , così recita: “Perché ti comporti come un bambino?”, a significare che i bambini spesso sbagliano. Probabilmente perché dotati di poche esperienze di vita, se non addirittura nulle, al punto da sembrare financo “stupidi”, anche se, di certo, non lo sono. Perché gli adulti - si sa - “sono fatti così...”, continua a confidare l’autore.

Barbella Nov 10 2020 What's the skateboarding daughter of professional bodybuilders to do when she's expelled from a posh East Coast boarding school in a cloud of sex scandal? Barbella goes back home to Venice Beach, California, where she tries to find new purpose in her old surroundings. Enter the new Maxi Ho Gym, a wild-eyed Korean ex-K-Pop star's gamble that "Muscle Beach" is ready for natural fitness without barbells and steroids. Barbella joins his ragtag team alongside a homeless philosopher, an ex-Navy SEAL, a brassy Brooklyn yoga instructor, a theatrical Compton dancer, and a handsome Chechen parkour star who falls for her. When financial realities threaten to close the gym, the only hope for a last-hour rescue comes from the unlikeliest of sources-and from a stunning decades-old secret. Full of crazy heart and cheerfully profane camaraderie, the

"pali pali Boom Boom!" BARBELLA will make you cheer and crack up in equal measure.

Ensembles in Machine Learning Applications Oct 10 2020 This book contains the extended papers presented at the 3rd Workshop on Supervised and Unsupervised Ensemble Methods and their Applications (SUEMA) that was held in conjunction with the European Conference on Machine Learning and Principles and Practice of Knowledge Discovery in Databases (ECML/PKDD 2010, Barcelona, Catalonia, Spain). As its two predecessors, its main theme was ensembles of supervised and unsupervised algorithms - advanced machine learning and data mining technique. Unlike a single classification or clustering algorithm, an ensemble is a group of algorithms, each of which first independently solves the task at hand by assigning a class or cluster label (voting) to instances in a dataset and after that all votes are combined together to produce the final class or cluster membership. As a result, ensembles often outperform best single algorithms in many real-world problems. This book consists of 14 chapters, each of which can be read independently of the others. In addition to two previous SUEMA editions, also published by Springer, many chapters in the current book include pseudo code and/or programming code of the algorithms described in them. This was done in order to facilitate ensemble adoption in practice and to help to both researchers and engineers developing ensemble applications.
