No Good Men Among the Living Feb 09 2021 Told through the lives of three Afghans, the stunning tale of how the United States had triumph in sight in Afghanistan--and then brought the Taliban back from the dead in a breathtaking chronicle, acclaimed journalist Anand Gopal traces in vivid detail the lives of three Afghans caught in America's war on terror. He follows a Taliban commander, who rises from scrawny teenager to leading insurgent; a US-backed warlord, who uses the American military to gain personal wealth and power; and a village housewife trapped between the two sides, who discovers the devastating cost of neutrality. Through their dramatic stories, Gopal shows that the Afghan war, so often regarded as a hopeless quagmire, could in fact have gone very differently. Top Taliban leaders actually tried to surrender within months of the US invasion, renouncing all political activity and submitting to the new government. Effectively, the Taliban ceased to exist--yet the Americans were unwilling to accept such a turnaround. Instead, driven by false intelligence from their allies and an unyielding mandate to fight terrorism, American forces continued to press the conflict, resurrecting the insurgency that persists to this day. With its intimate accounts of life in war-torn Afghanistan, Gopal's thoroughly original reporting lays bare the workings of America's longest war and the truth behind its prolonged agony. A heartbreaking story of mistakes and misdeeds, No Good Men Among the Living challenges our usual perceptions of the Afghan conflict, its victims, and its supposed winners.

But when Rollins makes a daring escape--jeopardizing a busload of children and killing five officers--Lucy becomes the key to the biggest manhunt in Texas history... and the target of a brilliant killer. "THE LUCY KINCAID/SEAN ROGAN NOVELS JUST KEEP GETTING BETTER!" --RT Book Reviews Some believe Rollins has fled the country. But Lucy suspects her plan is far more sinister--a taunting game of cat and mouse that hits much closer to home. First, an FBI agent with a connection to Texas is killed in Washington. Then, Kane Rogan disappears on a mission. When Rollins ups the ante again, Lucy is determined to save the people she loves--before her enemy strikes again. Time is running out. No Prince Sep 18 2021 Zepp Hunt wasn't the king of Dayton high school. He was the top of the food chain. And I was next in line to be dragged into the lion's den. At least that's what he thought... Good girls wanted to tame him. Bad girls wanted to be tainted by him. Everyone bowed down to him. And me? I hated Zeppelin Hunt with every fiber of my being. Which was why I stayed away from the arrogant bad boy with tattoos and a rap sheet. Until I couldn't. Until we traded favors, and I owed him three months of my life. I never thought I would end up in his bed, and when I did, I had to remind myself that he hated me as much as I hated him. Until I didn't. Zepp Hunt was no prince, and I absolutely refused to be his damsel in distress...

No Good Alternative Dec 22 2021 "The most honest book about climate change yet." --The Atlantic "The Infinite Jest of climate books." --The Baffler An eye-opening look at the consequences of coal mining and oil and natural gas production--the second of a two volume work by award-winning author William T. Vollmann on the ideologies of energy production and the causes of climate change. The second volume of William T. Vollmann's epic book about the factors and human actions that have led to global warming begins in the coal fields of West Virginia and Eastern Kentucky, where "America's best friend" is not merely a fuel, but a "heritage." Over the course of four years Vollmann finds hollowed out towns with coal-polluted streams and acidified drinking water; makes covert visits to mountaintop removal mines; and offers documented accounts of unpaid fines for federal health and safety violations and of miners who died because their bosses cut corners to make more money. To write about natural gas, Vollmann journeys to Greeley, Colorado, where he interviews anti-fracking activists, a city planner, and a homeowner with serious health issues from fracking. Turning to oil production, he speaks with, among others, the former CEO of Conoco and a vice president of the Bank of Oklahoma in charge of energy loans, and conducts furtive roadside interviews of guest workers performing oil-related contract labor in the United Arab Emirates. As with its predecessor, No Immediate Danger, this volume seeks to understand and listen, not to lay blame--except in a few corporate and political cases where outrage is clearly due. Vollmann is a carbon burner just like the rest of us; he describes and quantifies his own power use, then looks around him, trying to explain to the future why it was that we went against scientific consensus, continually increasing the demand for electric power and insisting that we had no good alternative.

Ah, but when God has something in mind for one of His beloved children, neither the head of the religion department nor all the forces of Hitler's army can dissuade Him.

For the Love of Friends Jul 17 2021 A sharp and hilariously relatable novel about the business of weddings, the toll they can take, and the lengths one exasperated bridesmaid will go to for the love of friends. Lily Weiss is her mother's worst nightmare: thirty-two and single--the horror! She's also a talented writer but hides behind a boring job at a science foundation. To her friends, she's reliable and selfless, which is how she winds up a bridesmaid in five weddings in six weeks. Anything for her three best friends and two (younger) siblings, right? Even if her own love life is...well, she'd rather not talk about it. To keep her sanity, Lily needs a safe place to vent. And so her anonymous blog, Bridesmania, is born. The posts start pouring out of her: all the feels about mom-zillas, her vanishing bank balance, the wicked bridesmaids of the west, high-strung brides-to-be, body-shaming dress clerks, bachelorette parties, and Spanx for days, not to mention being deemed guardian of eighty-eight-year-old Granny (who enjoys morning mimosas in the nude) for her brother's destination wedding. So far the blog has stayed anonymous. But as everyone knows, few things online remain secret forever... When all is said and done, can Lily help all five couples make it to happily ever after? And will her own happy ending be close behind?

Up to No Good Dec 10 2020 Lola Ramon has cultivated a life most would dream of - or judge - depending on who is doing the looking. A world traveler and artist, she never stays in one place for too long, or with one man. A fateful meeting with a psychic in Italy reveals the cracks in her happy exterior and sends her to Siren Island determined to take a break from her wandering lifestyle. There, she hopes to finally find answers to a question that's always enchanted her. Gage Rivelle waved goodbye to the corporate world from the deck of his beautiful new sailboat years ago and has happily settled into a leisurely life leading sailing tours on Siren Island. Used to women of all ages throwing themselves at him, Gage has developed a discerning eye for what he's looking for in a life partner. When Lola steps off the plane, Gage knows instantly he's found the one. Fiercely independent and determined to explore the mermaid mythology of Siren Island, Lola has promised herself a break from whirlwind relationships. Admittedly attracted to Gage, she pushes him away, wanting to take this time to focus on herself. In a battle of wills, Gage must prove to Lola that he isn't the island playboy she thinks he is, but instead could be the one man who will stick by her side forever.
