The School for Husbands Nov 14 2021 The School for Husbands is a play written by Molière and originally performed in 1661 in Paris. It was the first of his full length plays, preceding *The School for Wives* by a year. The plot centers on the suitors of two sisters, each of whom is a ward of each of the two men. One suitor, Sganarelle, is

controlling and overbearing of his intended wife Isabella. The other suitor, Sganarelle's older brother Ariste, treats his intended wife L'Éonor more as an equal. Ariste eventually finds success in his pursued relationship, while Sganarelle fails miserably, so much so, in fact, that he is unwittingly used by Isabella in seeking her preferred courter, Valère.

A tender and heartwarming novel that explores the trials of losing what matters most—and how there’s always more than we can imagine left to find—from the New York Times bestselling author of *How to Walk Away* and *Things You Save in a Fire*. Now a major motion picture starring Leslie Bibb and Josh Duhamel • “A sweet tale about creating the family you need.”—*People* Dear Libby, It occurs to me that you and your two children have been living with your mother for—Dear Lord!—two whole years, and I’m writing to see if you’d like to be rescued. The letter comes out of the blue, and just in time for Libby Moran, who—after the sudden death of her husband, Danny—went to stay with her hypercritical mother. Now her crazy Aunt Jean has offered Libby an escape: a job and a place to live on her farm in the Texas Hill Country. Before she can talk herself out of it, Libby is packing the minivan, grabbing the kids, and hitting the road. Life on Aunt Jean’s goat farm is both more

wonderful and more mysterious than Libby could have imagined. Beyond the animals and the strenuous work, there is quiet—deep, country quiet. But there is also a shaggy, gruff (though purportedly handsome, under all that hair) farm manager with a tragic home life, a formerly famous feed-store clerk who claims she can contact Danny “on the other side,” and the eccentric aunt Libby never really knew but who turns out to be exactly what she’s been looking for. And despite everything she’s lost, Libby soon realizes how much more she’s found. She hasn’t just traded one kind of crazy for another: She may actually have found the place to bring her little family—and herself—back to life.

We Need to Talk About Kevin Jun 28 2020 The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive

link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the *Boston Globe* describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.

Piper Parrish's life on Frick Island—a tiny, remote town smack in the middle of the Chesapeake Bay—is nearly perfect. Well, aside from one pesky detail:

Her darling husband, Tom, is dead. When Tom's crab boat capsized and his body wasn't recovered, Piper, rocked to the core, did a most peculiar thing: carried on as if her husband was not only still alive, but right there beside her, cooking him breakfast, walking him to the docks each morning, meeting him for their standard Friday night dinner date at the One-Eyed Crab. And what were the townspeople to do but go along with their beloved widowed Piper? Anders Caldwell's career is not going well. A young ambitious journalist, he'd rather hoped he'd be a national award-winning podcaster by now, rather than writing fluff pieces for a small town newspaper. But when he gets an assignment to travel to the remote Frick Island and cover their boring annual Cake Walk fundraiser, he stumbles upon a much more fascinating tale: an entire town pretending to see and interact with a man who does not actually exist.

The Surrendered Wife Jul 30 2020 A New York Times bestseller, this controversial guide to improving your marriage has transformed thousands of relationships, bringing women romance, harmony, and the intimacy they crave. Like millions of women, Laura Doyle wanted her marriage to be better. But when she tried to get her husband to be more romantic, helpful, and ambitious, he

withdrew—and she was lonely and exhausted from controlling everything. Desperate to be in love with her man again, she decided to stop telling him what to do and how to do it. When Doyle surrendered control, something magical happened. The union she had always dreamed of appeared. The man who had wooed her was back. The underlying principle of *The Surrendered Wife* is simple: The control women wield at work and with children must be left at the front door of any marriage. Laura Doyle's model for matrimony shows women how they can both express their needs and have them met while also respecting their husband's choices. When they do, they revitalize intimacy.

Compassionate and practical, *The Surrendered Wife* is a step-by-step guide that teaches women how to:

- Give up unnecessary control and responsibility
- Resist the temptation to criticize, belittle, or dismiss their husbands
- Trust their husbands in every aspect of marriage

What is History Teaching? Feb 23 2020 This book draws together developments in a wide range of fields: in academic history, in the study of language and in classroom research on pupil learning, as the basis for a distinctive approach to the teaching and learning of history in school. Chris Husbands analyses four approaches to learning about the past: through looking at evidence, through the language of the past, through story and through the imagination. He emphasizes the ways in which pupils and historians structure their own interpretations of history and considers the implications for teachers by examining the ways in which classroom talk, writing and assessment can support the development of sophisticated understandings of the past.

Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

What Shamu Taught Me About Life, Love, and Marriage Mar 26 2020 While observing exotic animal trainers for her acclaimed book *Kicked, Bitten, and Scratched*, journalist Amy Sutherland had an epiphany: What if she used these training techniques with the human animals in her own life—namely her dear husband, Scott? In this lively and perceptive book, Sutherland tells how she took the trainers' lessons home. The next time her forgetful

husband stomped through the house in search of his mislaid car keys, she asked herself, "What would a dolphin trainer do?" The answer was: nothing. Trainers reward the behavior they want and, just as important, ignore the behavior they don't. Rather than appease her mate's rising temper by joining in the search, or fuel his temper by nagging him to keep better track of his things in the first place, Sutherland kept her mouth shut and her eyes on the dishes she was washing. In short order, Scott found his keys and regained his cool. "I felt like I should throw him a mackerel," she writes. In time, as she put more training principles into action, she noticed that she became more optimistic and less judgmental, and their twelve-year marriage was better than ever. What started as a goofy experiment had such good results that Sutherland began using the training techniques with all the people in her life, including her mother, her friends, her students, even the ~~online library~~

post office. In the end, the biggest lesson she learned is that the only animal you can truly change is yourself. Full of fun facts, fascinating insights, hilarious anecdotes, and practical tips, *What Shamu Taught Me About Life, Love, and Marriage* describes Sutherland's Alice-in-Wonderland experience of stumbling into a world where cheetahs walk nicely on leashes and elephants paint with watercolors, and of leaving a new, improved *Homo sapiens*.

Wife School May 20 2022
"Wife School has been life-changing for me to understand that I have the ability to transform my marriage. It is truly life-altering." ~Kendall Tashie, 50, married 30 years, mother of 6, mentors women and Bible study leader In a private setting, sincere Christian women repeatedly reveal that after only a few years (or even months) of marriage, their Prince Charming has lost his charm. After learning the principles in Wife School, these same

women find their marriages revolutionized. Affection and closeness take a quantum leap. This remarkable progress occurs because Wife School teaches women what their husbands want and need at a deep soul level, making the husband outrageously happy. This self-help marriage book is a laugh-out-loud story in which the bratty and abrasive protagonist, Jessica—who thinks her marriage is beyond repair—learns the secrets to grow a satisfying and soul-stirring marriage. Enroll now with Jessica in Wife School, and embark on a journey that will transform your marriage beyond what you can imagine. "The principles in Wife School have changed my life. The wisdom and guidance have reversed the effect the world had on my marriage. Both my husband and I are truly grateful." ~Emily Wilson, 33, married 8 years, 2 children, mentors younger women "The principles that I have learned from Wife School have changed my marriage and therefore changed my life in unbelievable

ways. I have gone from a good marriage to an exceptional marriage (that almost seemed unattainable and unrealistic). Every wife needs to read this book.” ~Jenny Hendrix, 33, married 7 years, 5 children

The Husbands May 08 2021 A GOOD MORNING AMERICA BOOK CLUB PICK “Chandler Baker, queen of the feminist thriller, has delivered once again! The Husbands is a poignant exploration of what it would take for women to have it all.” —Sally Hepworth, bestselling author of *The Good Sister* To what lengths will a woman go for a little more help from her husband? Nora Spangler is a successful attorney but when it comes to domestic life, she packs the lunches, schedules the doctor appointments, knows where the extra paper towel rolls are, and designs and orders the holiday cards. Her husband works hard, too... but why does it seem like she is always working so much harder? When the Spanglers go house hunting in Dynasty Ranch, an exclusive suburban

neighborhood, Nora meets a group of high-powered women—a tech CEO, a neurosurgeon, an award-winning therapist, a bestselling author—with enviably supportive husbands. When she agrees to help with a resident’s wrongful death case, she is pulled into the lives of the women there. She finds the air is different in Dynasty Ranch. The women aren’t hanging on by a thread. But as the case unravels, Nora uncovers a plot that may explain the secret to having-it-all. One that’s worth killing for. Calling to mind a *Stepford Wives* gender-swap, New York Times bestselling author of *Whisper Network* Chandler Baker's *The Husbands* imagines a world where the burden of the “second shift” is equally shared—and what it may take to get there. “Utterly engrossing and thoroughly timely, *The Husbands* is both a gripping, well-crafted mystery and an insightful critique of motherhood and marriage in the modern age—working mothers everywhere.”
