to writing English the proper way by one of the greatest newspaper editors of our time. Harry Evans has edited everything from the urgent files of battlefield reporters to the complex thought processes of Henry Kissinger. He's even been knighted for his services to journalism. In *DO I MAKE MYSELF CLEAR?*, he brings his indispensable insight to us all in his definite guide to writing well. The right words are oxygen to our ideas, but the digital era, with all of its TTYL, LMK, and WTF, has been cutting off that oxygen flow. The compulsion to be precise has vanished from our culture, and in writing of every kind we see a trend towards more--more speed and more information but far less clarity. Evans provides practical examples of how editing and rewriting can make for better communication, even in the digital age. *DO I MAKE MYSELF CLEAR?* is an essential text, and one that will provide every writer an editor at his shoulder.

WordPress Top Plugins Apr 30 2020 Annotation Bloggers, authors, coders, photographers, moms, dads, big companies, small companies, and even kids use WordPress to manifest their personas online. WordPress is used in every market, in every country, and continues to grow everyday. This explosive growth and international open source love affair was ignited the day WordPress announced the simple idea of a 'plugin' A WordPress plugin is a collection of files (PHP, javascript, css) that creates a small feature or modification to your WordPress blog. WordPress Top Plugins will teach you to add these plugins to an already built base WordPress site, and customize them where applicable. This book will walk you through finding and installing the best plugins for generating and sharing content, for building communities and reader base, and for generating real advertising revenue. There is literally a plugin for almost anything you want to achieve in WordPress. This book will show you how plugins work, and more importantly, how to install and activate them on your blog without you having to touch a single line of code, unless of course, you want to. Content is king, and it's pretty hard to generate. This book will cover some of the best plugins available on WordPress to generate unique and dynamic content. Once you have your blog loaded chock full of juicy content, you will learn how to turn your blog in to an overnight sensation by helping your readers to share it, using tools to retweet, post on Facebook, and so on. This book will teach you how to build a community with one single killer plugin, namely, BuddyPress_ the best community building plugin available for WordPress. Once you are through with plugin basics, content, and building a community, this book will show you how to generate revenue! It will cover the top plugins for turning your blog into a money making machine! This book will also cover plugins focused on tweaking and perfecting your blog's overall look and feel, and functionality. Nothing helps build a powerful online blog brand than a horde of talented writers to contribute their ideas and content _ as well as their so

network. This book will cover a bunch of plugins that will make working with multiple authors easy, efficient, and effective. Last but not the least, it will cover the best plugins for ensuring that your blog is secure, the database is running optimally, and in the case of an emergency, you have a full backup copy of your blog. While most plugins in this book are focused on a blog's frontend, this book will also cover some great 'non-public' facing plugins that make our lives so much easier and make your WordPress site a productive powerhouse. Find and install the best plugins for generating and sharing content, building communities and generating revenue.

The Grammar Book Nov 25 2019 In this highly acclaimed revision, grammatical descriptions and teaching suggestions are organized into sections dealing with Form, Meaning, and Use. THE GRAMMAR BOOK, Second Edition helps teachers and future teachers grasp the linguistic system and details of English grammar, providing more information on how structures are used at the discourse level.

English Grammar for Today Aug 23 2019 Written by a team led by a world authority in English grammar, *English Grammar for Today* has established itself as a rich educational experience for both native- and non-native-speaking students. This engaging and stimulating coursebook enables students to learn grammar not just for its own sake, but also for the pleasure of exploring, appreciating and understanding the way language communicates in written text and spoken discourse. Throughout, the emphasis is on using grammar in present-day English. After an introduction placing grammar in its educational and cultural context, the authors present a 'toolkit' for analysing sentences. The second part of the book demonstrates how to apply this toolkit to spoken and written language, using a wide range of real textual materials. Each chapter ends with a set of carefully-designed exercises and tasks to aid understanding, with answers

at the end of the volume. Now thoroughly revised and updated to meet the needs of today's students, this new edition features: - a new Foreword by the English Association - an additional introductory chapter, 'Getting Started with Grammar', which introduces the subject for those with no prior knowledge - improved and extended diagrams, exercises and answers - up-to-date textual passages and examples Lively and approachable, this indispensable guide is ideal for both students and teachers who are looking for their first serious engagement with - or wishing to rediscover- English grammar.

Our Magnificent Bastard Tongue Nov 18 2021 A survey of the quirks and quandaries of the English language, focusing on our strange and wonderful grammar Why do we say “I am reading a catalog” instead of “I read a catalog”? Why do we say “do” at all? Is the way we speak a reflection of our cultural values? Delving into these provocative topics and more, Our Magnificent Bastard Language distills hundreds of years of fascinating lore into one lively history. Covering such turning points as the little-known Celtic and Welsh influences on English, the impact of the Viking raids and the Norman Conquest, and the Germanic invasions that started it all during the fifth century ad, John McWhorter narrates this colorful evolution with vigor. Drawing on revolutionary genetic and linguistic research as well as a cache of remarkable trivia about the origins of English words and syntax patterns, Our Magnificent Bastard Tongue ultimately demonstrates the arbitrary, maddening nature of English— and its ironic simplicity due to its role as a streamlined lingua franca during the early formation of Britain. This is the book that language aficionados worldwide have been waiting for (and no, it’s not a sin to end a sentence with a preposition).
